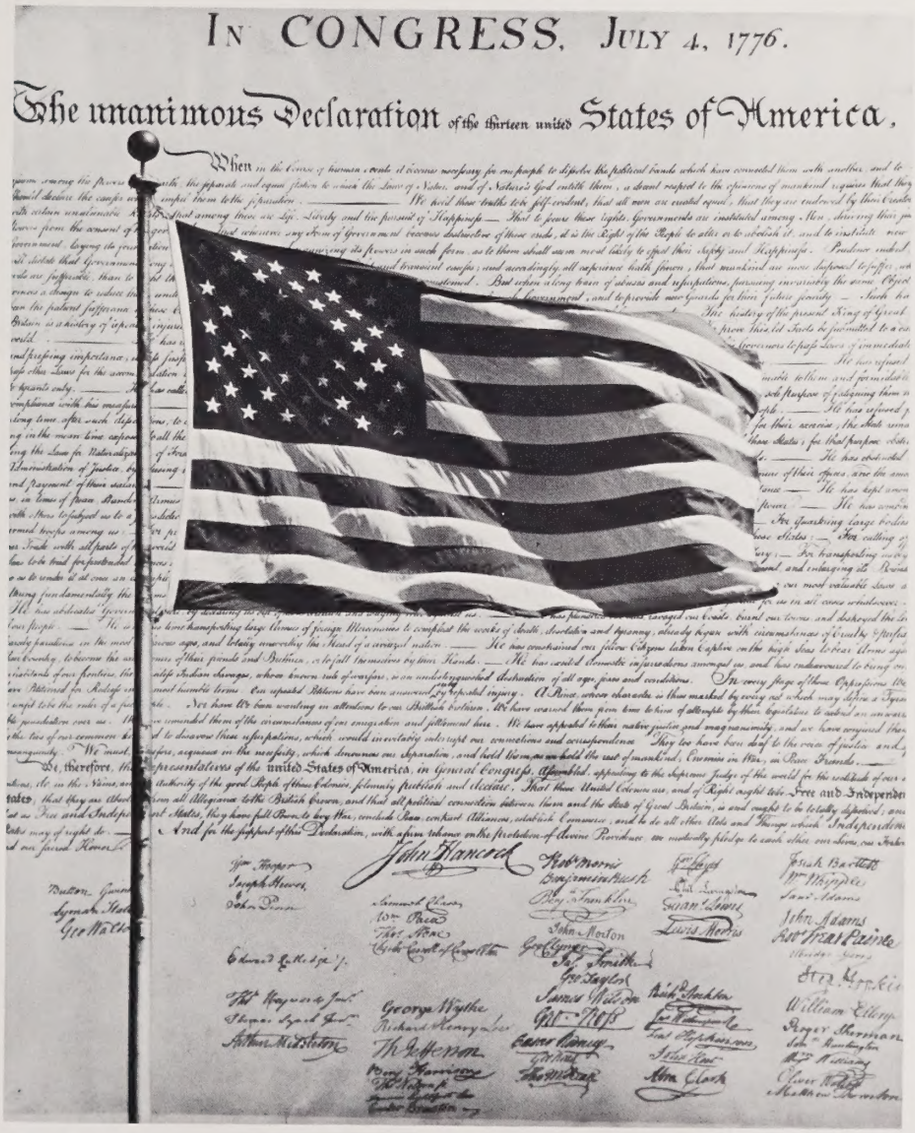
200 YEARS OF FREEDOM
1976



IN CONGRESS, JULY 4, 1776.
The unanimous Declaration of the thirteen united States of America,

MOVING ON

SCHOOL DAYS . . .
HAPPY DAYS

Yes; school days, the time when friends are together, learning, making new friends, getting involved, and yes maybe sometimes deciding to just skip that class, then Oh Gosh! You got caught. But through all the classes and routines of WHS, the seniors begin to realize their good school days at West High are coming to a close. Yet each one will hold memories, special memories of being a part and sharing the pride of being a West High Falcon.

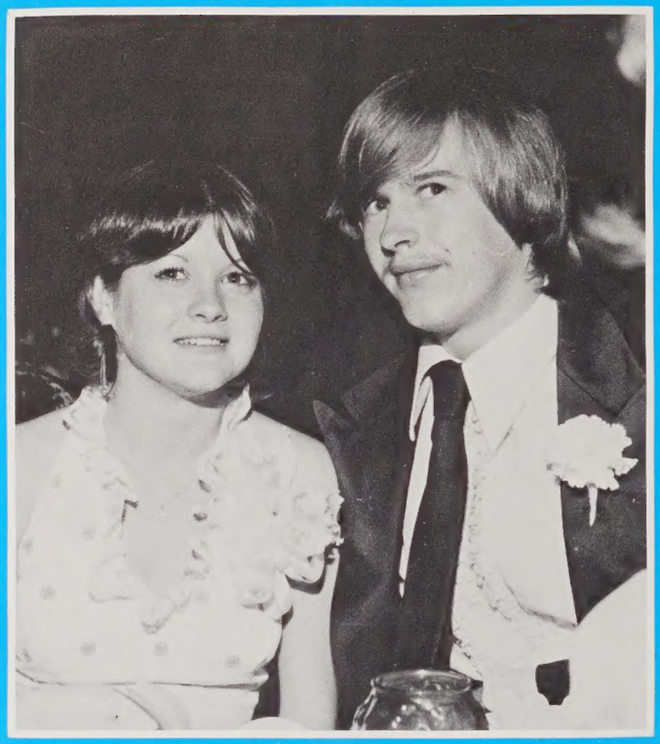
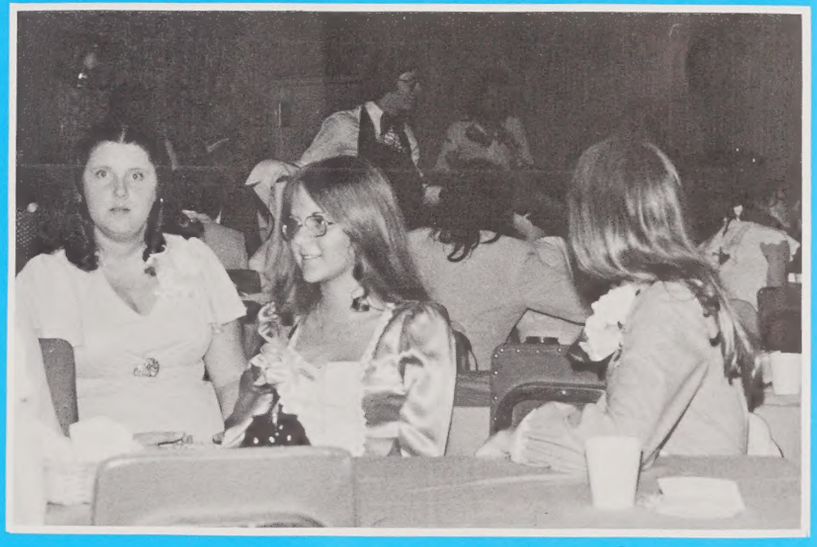
A TIME OF PRIDE . . . AND MEMORIES

Awards Assembly is always a happy time . . . yet sad. Both excitement and mixed emotions rise as the awards and honors are handed out. To each student comes the feeling of being a part of West High, and West High as a part of us. A part that will remain with us in the many directions we will go.

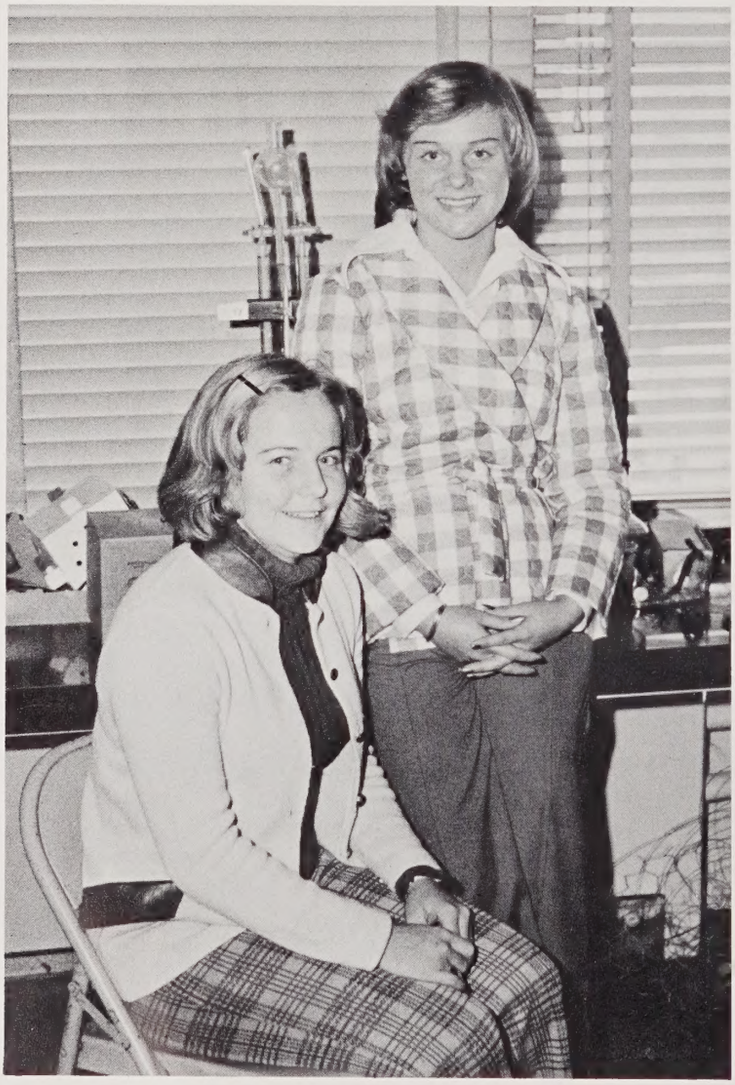
ONE OF THESE NIGHTS

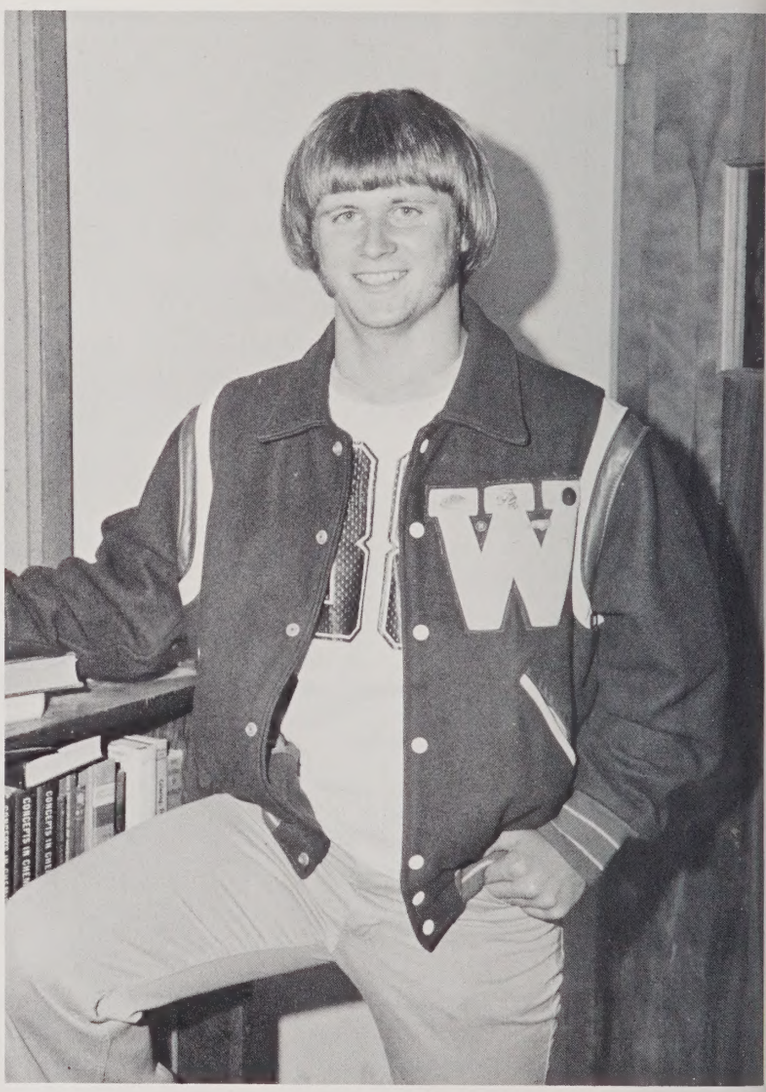
Our very own Junior-Senior. And what a night it turned out to be! Dancing and Bumping to the sounds of "Castills." Tired feet, happy smiles, and . . . Excitement was high. The Junior Class worked hard and enthusiastically to make this a very special night. Their hard work became reality as everyone really enjoyed themselves. We will always remember our prom night!





Rita Young and Doug Dunlap are county winners in the annual Hendersonville Jaycees' All-American Boy and All-American Girl essay contest. (BELOW) Our representative this year to Wake Forest University for Boys' State was Richard Rhodes, while Cindy Berkley and Carolyn Moore represented West High at Girls' State at UNC-G.





FRIENDS FAR AND NEAR

West Henderson is proud to present Roberto Vides, an exchange student from Guatemala, Guatemala, and Miss Ruth Elizabeth Gomes from Fortaleza, Brazil.

Roberto is residing with Mark Davis and his parents Mr. and Mrs. Robert Davis of Mills River. Roberto has two brothers and one sister and enjoys baseball, football, tennis, and swimming.

Ruth is making her home with Scott Young's parents, Mr. and Mrs. Charles H. Young of Indian Hills. Ruth's hobbies include tennis, music, and dancing. She would like to become a doctor.

While Ruth and Roberto are learning and visiting with us, one of our students, Scott Young, is completing his senior year at Sao Paulo, Brazil. Scott is residing with Ruth Gomes' parents, Senor and Senora Darcy De Barros Gomes.

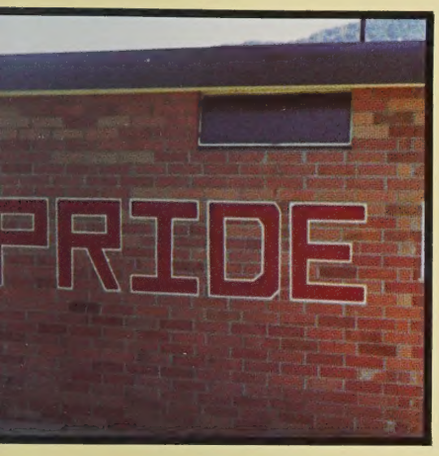
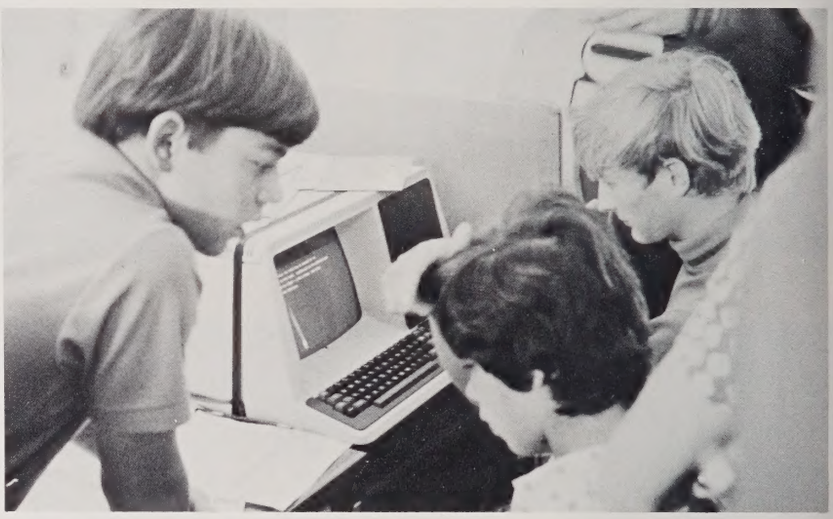
REFLECTIONS OF TIME GONE BY

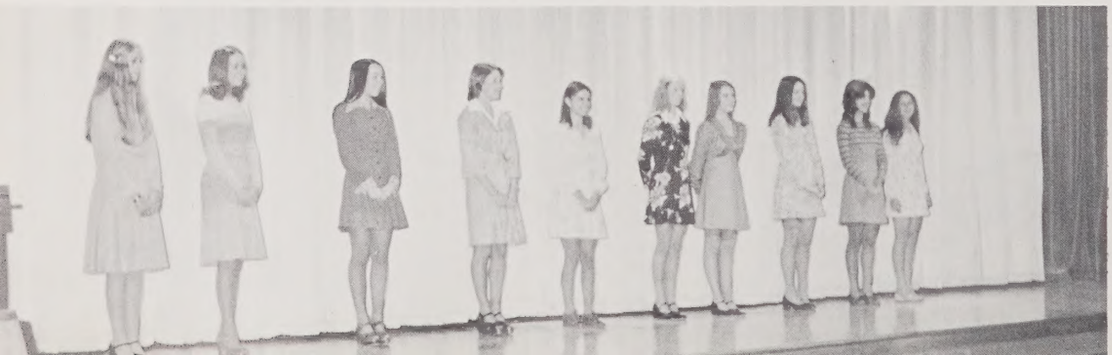


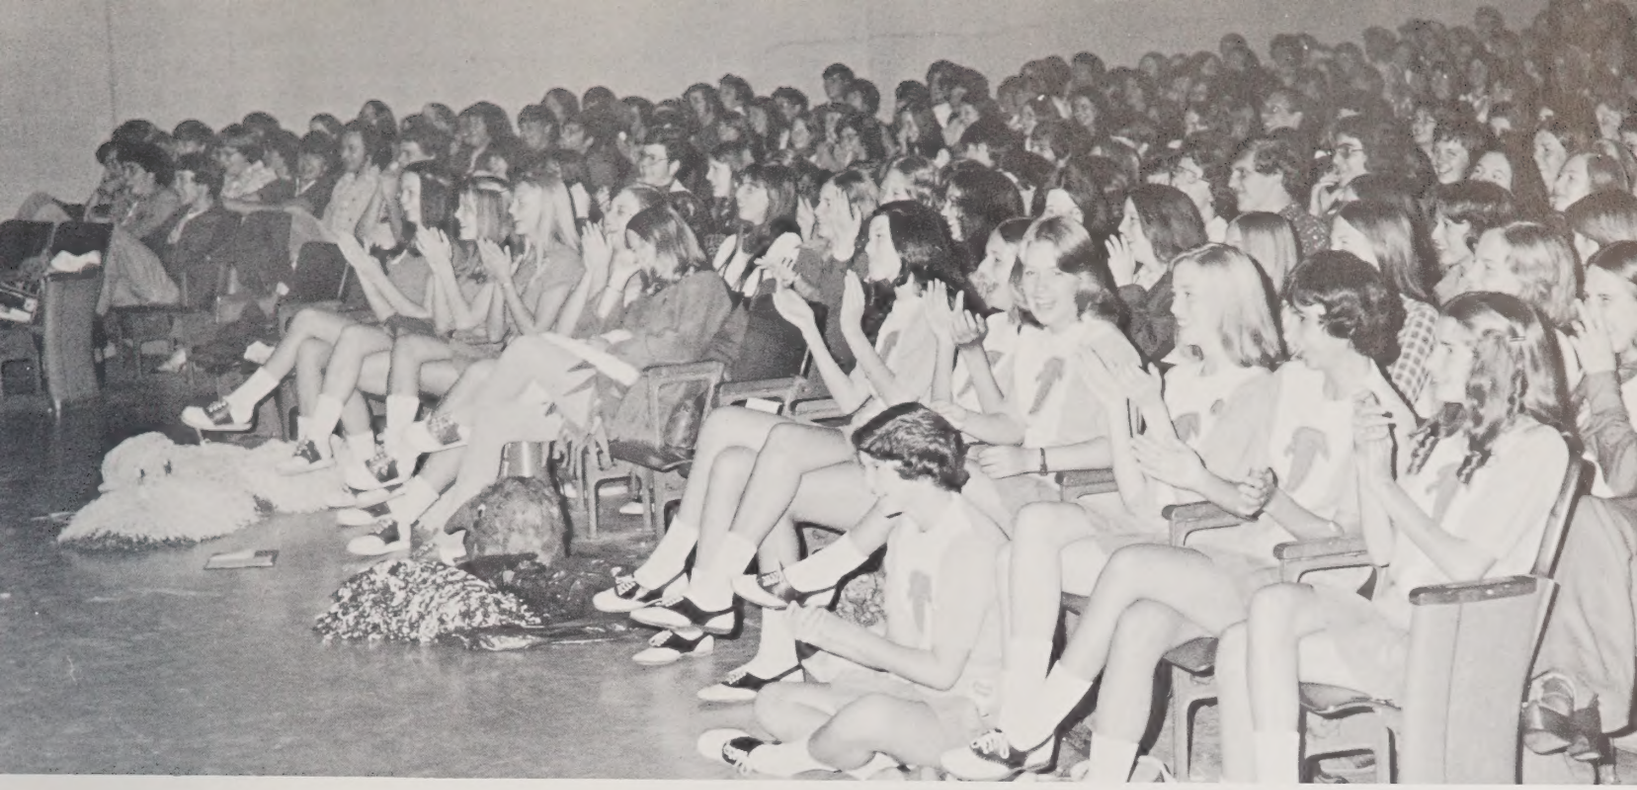
ASSEMBLIES . . .

A CHANGE OF ROUTINE

Blue Grass music by the Gettesburg Address, a magic performance by Matt Fore, pep rallies, chorus and band performances, homecoming skits, and many more entertaining assemblies were provided during the 1975-76 school year. Pictured are just a few of the many assemblies that provided the students with a break from the routine school day.







WILL THE REAL GRIT PLEASE STAND UP?

Grits, Grits, and more Grits! The fifties were back at West Henderson for a day . . . or was that just our normal self shining through? No, really everyone had loads of fun! The Seniors, being bad and tough, won the victory in our Powder Puff game. And that gorgeous Larry Laughter was crowned our very own Powder Puff Queen.

HOMECOMING IS . . . BEAUTY AND VICTORY

Nostalgia, Beauty, and Victory mingled with an abundance of fog marked the 13th Annual Homecoming game and ceremony held at Johnson Field on Friday November 7, 1975. Miss Rita Young was crowned the 1975 Homecoming Queen, and the Falcon football team handed the Cougars of Mountain Heritage a 37-8 loss in the final game of the season. In addition to being crowned Queen, Rita and escort Jerry Warren were chauffeured around the track in a 1929 A-Model Ford convertible, thus bringing back memories of years gone by.

Senior members of the Homecoming Court are, (OPPOSITE PAGE) Brenda Taylor escorted by Doug Dunlap, Rita Young escorted by Jerry Warren, Lori Keicher escorted by Robert Hensley, Kathy Brown escorted by Eric Laughter, and Becky McIntyre escorted by Roberto Vides.

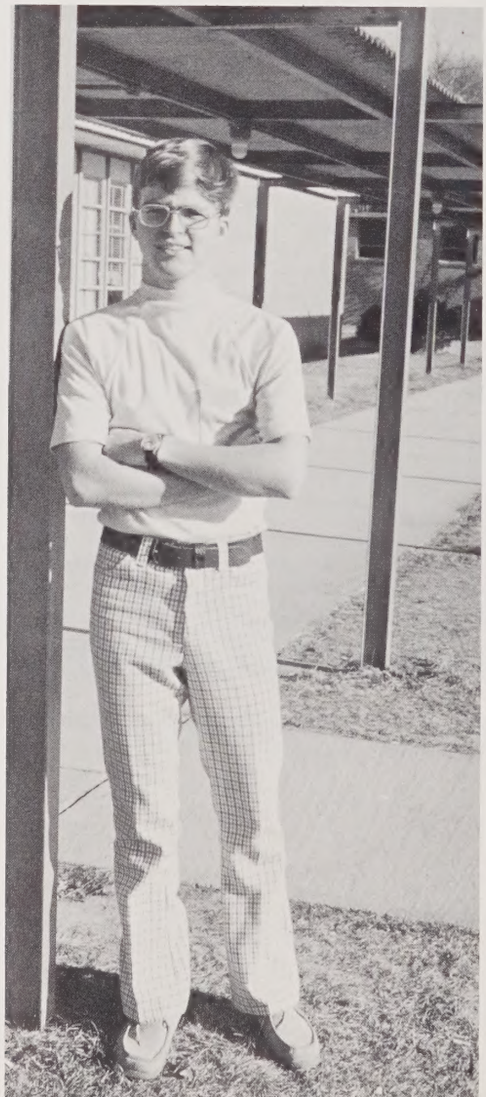
Lynn McMahan (SITTING), and Sonya Jeffries were voted to the Homecoming Court to represent the Sophomore Class. These two girls were a part of making our 1975 Homecoming a great success.

Three very pretty and attractive girls represented the Junior Class in our 1975 Homecoming Season. They are left to right: Pam Pruitt, Liz Blowers, and Robin Lyda.

On August 30, 1975 Teresa Davenport was crowned Apple Festival Queen. She is a 1975 graduate of West Henderson.

Mike Sitton entered and won these essay contest: Voice of Democracy-School and District Winner, Civitan Essay Contest-School Winner, Bicentennial Seniors Script-Essay Contest-School Winner

Each Wednesday for the first half of the year these students attended Computer Classes at East Henderson. They are Lisa Parker, Ann Pace, Michelle Cochrane, Elaine Jones, Jean Wynn, Judy Moore, and Lisa Hyder.



SENIORS

A TIME TO REMEMBER

As small but courageous Freshman we saw our beginning days at West High in the fall of 1972 as we stepped up from our four elementary schools, Balfour, Etowah, Fletcher, and Mills River. Finding our way to classes, getting acquainted with our peers, and learning which classes we could and couldn't goof off in was a whole new and exciting beginning for us. Of course, wearing silly signs, getting pushed to the back of the lunch line, and being set on top of the lockers by the Seniors were just a few of the things we undertook as we began our happy adventurous days at West. Float classes too were something new to welcome us to West, where we could take anything from ceramics to jazz dancing. The DECA Club also sponsored a student store that operated during lunch periods, where records, tapes and good things to eat were sold.

Of course, we could not float around all the time and sometimes had to think about serious, hard studying. While some of us were in Miss Haskett's English classes reciting ROMEO AND JULIET, others in Coach McCarty's physical science classes were out bird watching at 7:00 a.m. At pep rallies we were a total disaster. Halfway through the Battle Cry, three or four of us would stand up and squeak out the ending of the cheer. But at ballgames you could surely hear us cheering and one of the things we were cheering for was our new marching band. This was the first year we had a marching band for ballgames, and under the leadership of Mr. Bob Edwards, they sounded really fantastic. May Day-Play Day came along to end our freshman year with Coach McCarty getting drenched in the Dunkin' Booth and girls chasing boys around the school for a date to the Sadie Hawkins Dance that night.

Things began to look up our sophomore year, but with the new junior high school, the Freshman went there and we were still at the bottom of the ladder. We kept the spirit though and while Coach Bagwell's history classes were watching basketball films and lying out in the grass between Y and Z buildings, Mr. Ballard's biology classes were cutting up worms and learning the difference between male and female frogs. In our sophomore year we changed conferences making our victories in sports about the best ever. Our Varsity and JV football teams won the conference and our basketball team went to State, losing though in the first round. Tennis courts were also built this year with the money raised from the magazine sales which provided exercise and fun for many tennis-crazy West High Students. Yes, our sophomore year was really a year to remember.

Our junior year brought Mr. Jarvis' chemistry class with the experiments always catching the wrong things on fire --US! Homecoming, winning with the best skit, and having spirit chains seemed to add spirit to the hearts of everyone. This was the year we also sponsored the Junior-Senior at the Holiday Inn. Car washes, bake sales, raffling a turkey, and hunting a band were just a few of the things that made the Junior-Senior a big smash!

Finally, but really all to quickly, for most of us, we were Seniors, the top notch you might say and the last class to be here four years. This was our year to get to the front of the lunch line, march in at assemblies, and of course to initiate and pick on the Sophomores (just a little though, for some of them were bigger than us!!)

Gliding by Hendersonville in football, wrestling, and basketball were just some of this year's thrilling moments! At Homecoming our victory over Mt. Heritage and our 1976 Homecoming Queen Rita Young were other big moments in the eyes of our students! March brought the annual senior trip to Florida where we, with lots of tired feet and sun-burned faces enjoyed places like Disney World, Daytona Beach, and Sea World. Our Senior year also includes the Junior-Senior Prom, the Athletic Banquet, practicing for graduation, thinking about the future, and before we know it, walking across the stage to receive our diplomas and say good-bye to that good ole place called West High that had enriched all of our lives for the past four years. YOUNG TEAM HAS WINNING SEASON

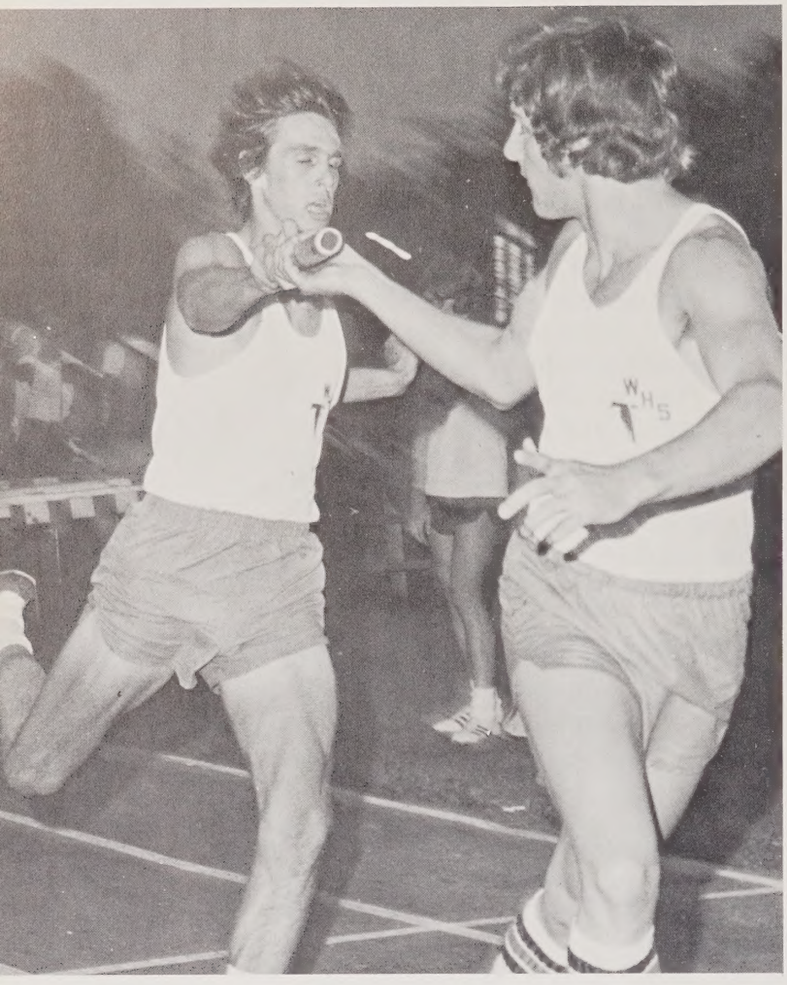
Last spring, West High fielded 18 aspiring baseball players. Under the direction of Coach Norman Link and Coach Bill Worley, the young team completed the season with a 6-5 record. With only 2 seniors, things look good for next years team. They will have a great deal of leadership and experience returning and look forward to an even better season. At the Athletic Banquet, Mike Waldrop received the MVP Award for his outstanding pitching arm and leadership.

Richard Rhodes, Wofford Shipman, Birdie Snyder, Marty Horne, Robert Danielson, Eddie Garren, Cary Mills, Mike Link, Gary Brittain. Robert Hensley, Jerry Warren, Mike Waldrop, Ricky Stroup, Coach Link, Ray Laughter, Ricky Gilbert, Glenn Corhn. Ellis Phillips, Tim Kuss, Manager - Gregg Jackson, Manager - Mike Wright, and Coach Worley.



MILE RELAY CLINCHES '75 CONFERENCE CHAMPIONSHIP

It's the last event of the meet and either West High or East Yancey will finish with the title of Blue Ridge Conference Champs. At the gun, the score is West 48, East Yancey 42. The event is a hard one, requiring strength, agility, timing, and Pride. Freddie Botts starts off and pulls slightly ahead of his East Yancey foe. Mike Darity takes the handoff from Botts and holds the pace. Next in line for the baton is Dennis Dunlap, who with much determination pulls out a little more from his opponent. Last, but certainly not least, is Charley Phillips and the lead handed him is slight indeed. Charley takes the baton and puts all he has into that last, final run of his high school career. (Mike Redden, fellow member of the team is quoted as saying, "It's the hardest he ran all year.") The West High Falcons pull up as the 1975 Blue Ridge Conference Champs by the score West 62 and East Yancey 56. Congratulations Freddie, Mike, Dennis, and Charley, who along with the other members of the team won the crown and gave us here at West High a great deal to be proud of.

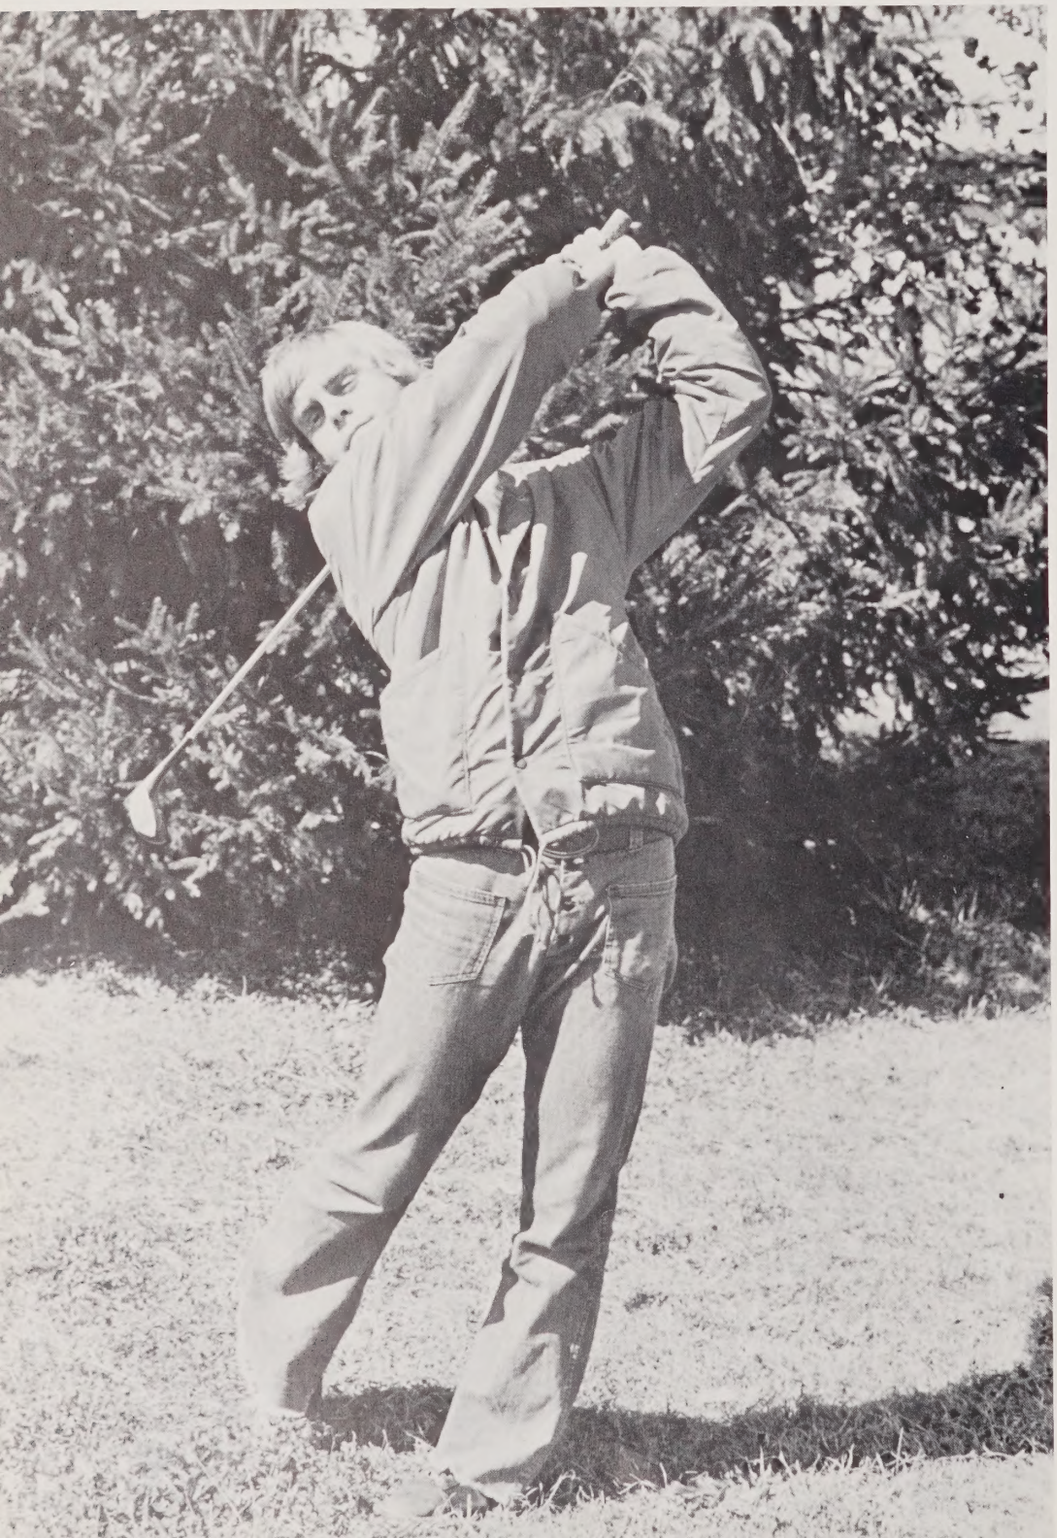
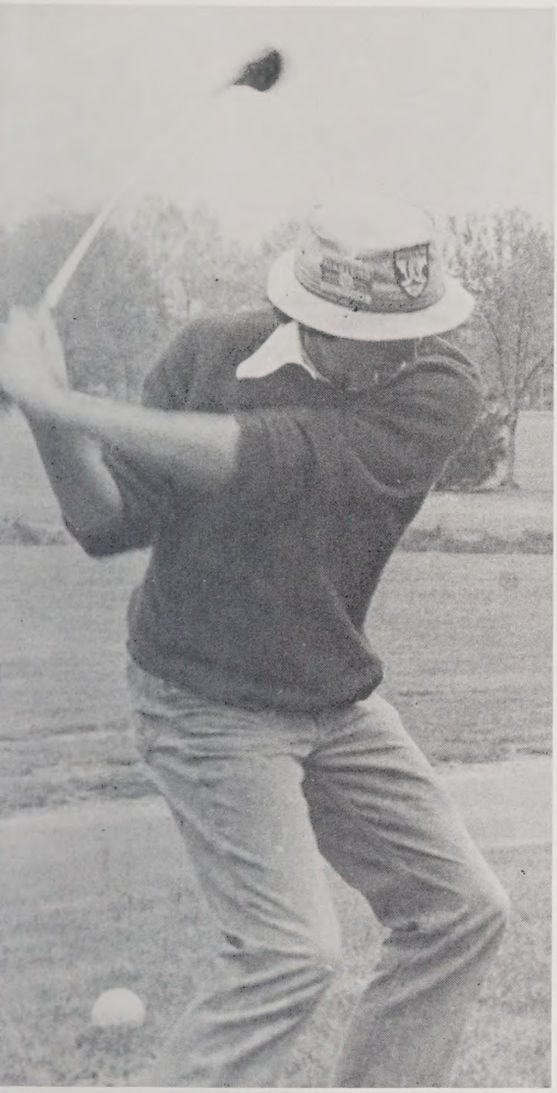
GOLF TEAM RETAINS CONFERENCE CROWN

The place is the Etowah Valley Golf Club, where the Fighting Falcon Golf Team is playing host to the Spruce Pine Blue Devils. They are in a 36-hole match to determine the 1975 Blue Ridge Conference Championship. There's a drive, a pitch, a putt, and it rings the cup and reluctantly topples in. The score for the first 18 holes-West High 333; Spruce Pine 352. Oh, by the way, the lowest score wins!

Match two: The place for the second round is in Spruce Pine at Grassy Creek Golf Club. (You'd expect a good round out of the Blue Devils on their own course, but they couldn't seem to fork up the few birdies they needed to put them ahead.) At the end of the second match the score is West High 333, and Spruce Pine 336. Thus the Fighting Falcon Golf Team has retained the title of Blue Ridge Conference Champs. Congratulations Coach Bagwell, and the members of the Golf Team for such a fine record.



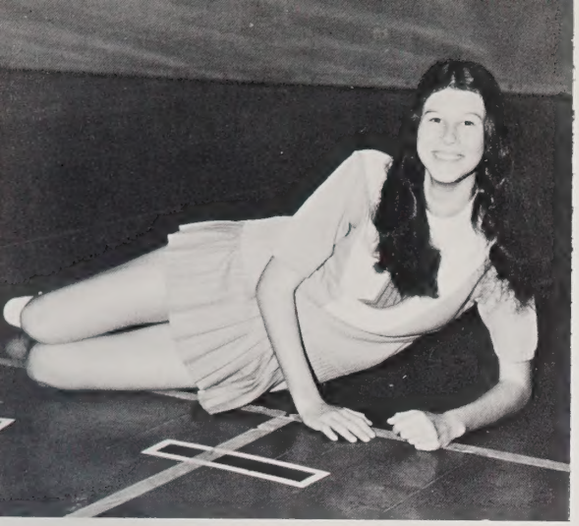


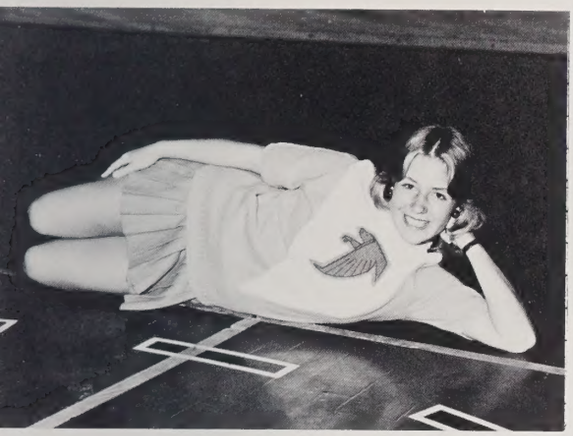
STOP

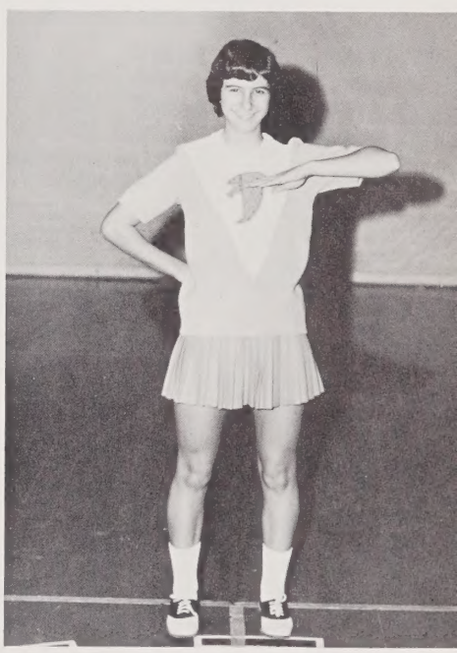
HERE COMES THE GIRLS

Under the direction of Mrs. Jan White, 14 spirited and dedicated girls took to the court this fall. For the first time in several years, West High fielded a Girls' Volleyball team. With a lot of pride and determination, these girls worked hard to finish 7th overall in the district playoffs. The members of the team are: Jean Wynn, Joan Wynn, Sherry Williams, Kathy Roberts, Cindy Wolfe, Lori Eaton, Debbie Taylor, Carolyn Moore, Sarah Wilson, Sondra Smith, Phyllis Robertson, Monekia Ramsey, Virginia Rhymer, and Gail Moore. In front are the managers, Delores Cash, Faith Sharpless, Coach White, and Liz Blowers.

JV SPIRIT BOOSTERS

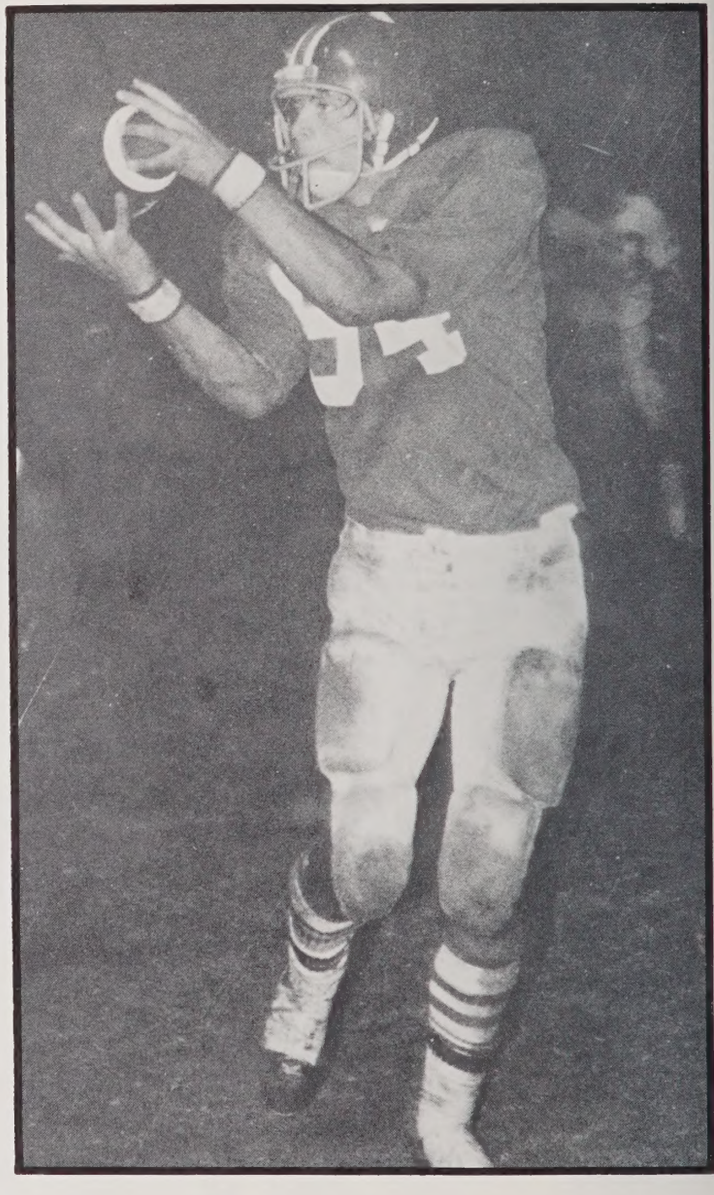






The 1975-76 J. V. Basketball season was highlighted by 7 spirited and very talented girls. They held up morale when the team was down as well as when they were ahead. With Denise Dunlap as captain, they urged the fighting Falcon team on to victory. The members of the J. V. squad are: Becky Haynes, Donna Franklin, Sherri Drake, Sherry Brittain, Penny Caldwell, Cheryl Pierce, and Captain Denise Dunlap.

FALCONS TURNBACK 'CATS 8-7



On Friday, October 24, the tension mounts as the 15th meeting of the West High Falcons and the Hendersonville Bearcats gets underway. The Kittens strike first on a controversial play as Hendersonville grabs an early 7-0 lead. But the Fighting Falcons, behind the spirit of the fans and cheerleaders, are not to stay down. A would-be Kitten punt is blocked by Lynn Smith, giving the Falcons possession deep in Kitten Territory. And then . . . Waldrop is back to pass . . . the line which refused to give an inch all night is holding with its usual strength . . . Smith is open again . . . the pass . . . floating, seeming never to fall . . . in his hands . . . TOUCHDOWN! The extra point now becomes crucial to the Falcons. A tie is no good so the Falcons go for two. The pass to Smith is called back. It looks as though the Falcons must settle for one. But the Cats jump offsides. They move the ball in toward the goal line and go once more for the two points. The play is up the middle to Mark Lenhart. He's hit again and again, but finally carries two defenders across the goal line with him for two points. The second half developed into a tough defensive battle, leaving the score 8-7 with the FALCONS on Top!

SENIORS DISPLAY PRIDE AND LEADERSHIP

Captains Lynn Smith and Dennis Dunlap, along with the other Senior members of the squad, displayed much pride and determination in leading the Falcons to a winning season. Whether suited up to play or just clowning around, they were prepared to tackle the world. Mark Lenhart became the second person to rush for more than 1,000 yards in one season at West. Mike Ruff was selected All-State, chosen to play in the Shrine Bowl and was elected Co-captain of the team. Congratulations to all of the Seniors for a fine team effort in the long awaited victory over Hendersonville.

FALCONS WIN WITH TEAMWORK

Whether running for yardage, throwing a block, or cheering from the sidelines, the Falcon team worked together to achieve victory. The cheerleaders, band, and fans were there to give them added support when the going got rough. Ever ready with towels, water bottles, and a clean football were the managers. Mike Wright, Hilliard Ballard, Steve Underwood, and Johnny Cunningham did a fine job in meeting the needs of the players. Congratulations to the team, coaches, managers, and all those who supported the Falcons.

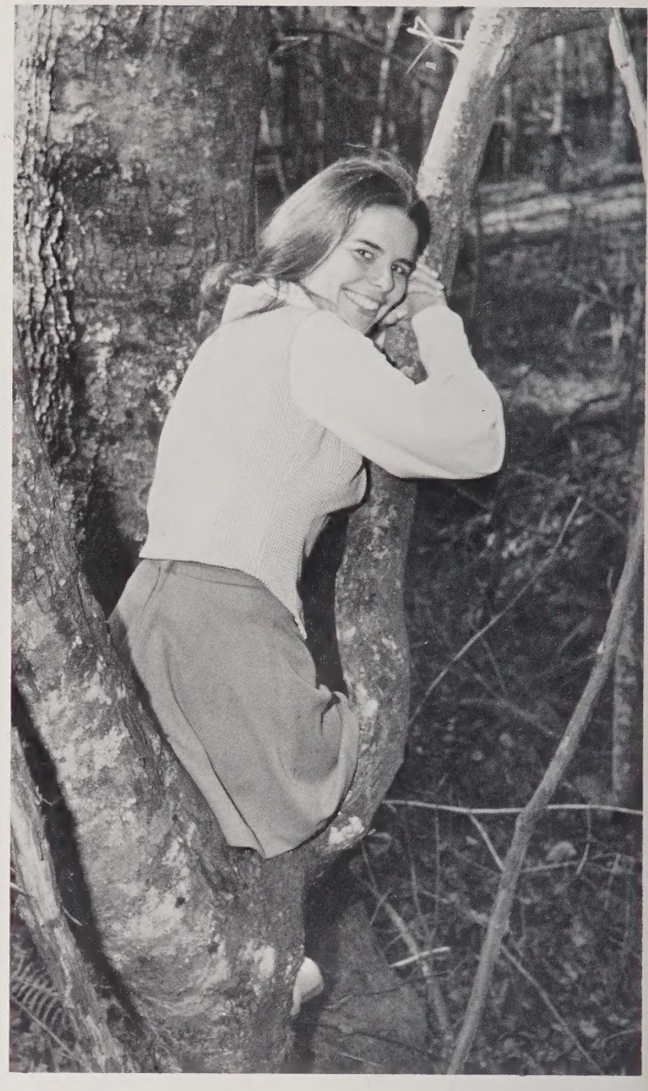
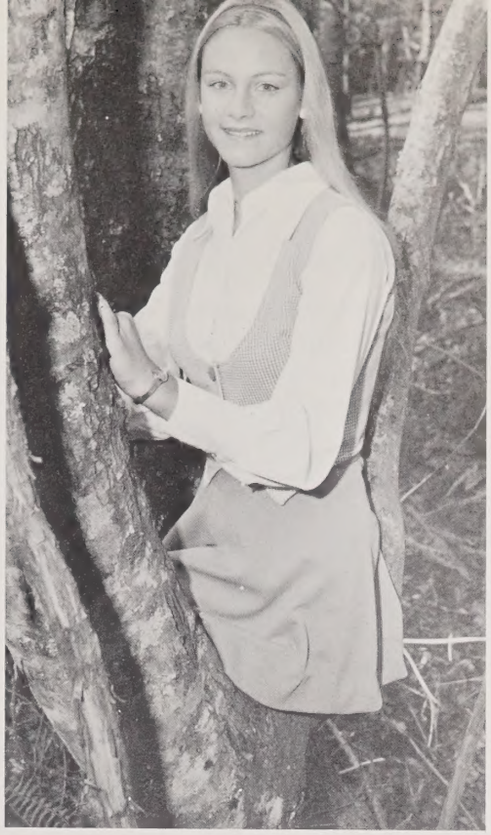
CHEERLEADERS POSSESS PRIDE AND SPIRIT

P-R-I-D-E, Falcons have the Pride . . . Whether at a football or basketball game, the Varsity Cheerleaders were there to lead the cheers and chants for the Falcon teams. The ten girls, along with "Big Bird" worked hard to keep the spirit of the fans and athletes up. Beckie McIntyre served as Captain, Pam Pruitt as Co-Captain and Debra Allison was "Big Bird." The members of this year's squad are: Denna Osteen, Laura Armstrong, Pam Pruitt, Kathryn Haigler, Debra Allison, Debbie Ward, Alicia Whiteside, Beckie McIntyre, Debbie Case, Cindy Berkley, and Carolyn Tatham.





THE ONES BEHIND THE TEAMS

In athletics, many times the teams receive all the credit and praise. Yet were it not for the coaches, these teams would not even exist. It is these dedicated people, who holler and scream and encourage the athletes to give their best, that build the foundation for our athletics. Our coaches face a tremendous task and put in a lot of extra hours making our athletic program what it is. A special thanks to those who care enough and do a fine job with our athletic program at West High--our Coaches.

The game was a thriller, ending in a 52-52 tie at regulation. The Falcons came back strong in overtime to take a 60-56 victory, outscoring the Cats 8-4. WRESTLING TEAM TAKES 21 IN A ROW

The Falcon Wrestling Team has built up an outstanding record in the course of the past 2 years of competition. Last season the team went undefeated in 12 matches and sent 2 Falcons to state competition. They were Mike Ruff and Robert Hensley, both who went undefeated during the regular season.

Wrestling is a bodily and individual sport. It requires a lot of hard work and determination. Not many people are willing to give all this and so we salute the grapplers of West High for the tremendous record they have accomplished in winning 21 straight before falling to Enka.

The members of this year's squad are: Tony Freeman, Ricky Jackson, Brad Riddle, Robert Danielson, Kevin Blythe, Norman Allison, Philip Brittain, Robert Hensley, Ellis Phillips, Mike Lunsford, Mike Ruff, Scott Harvey, Leslie Berry, Kirk Eakes, Steve Hensley, Don Huneycutt, Ricky Mills, Cliff Searcy, Ricky McWhorter, Andy Cantwell, and Eddie Garren. Coach Berkley is the coach and Norman Allison and Robert Hensley served as Captains this year.

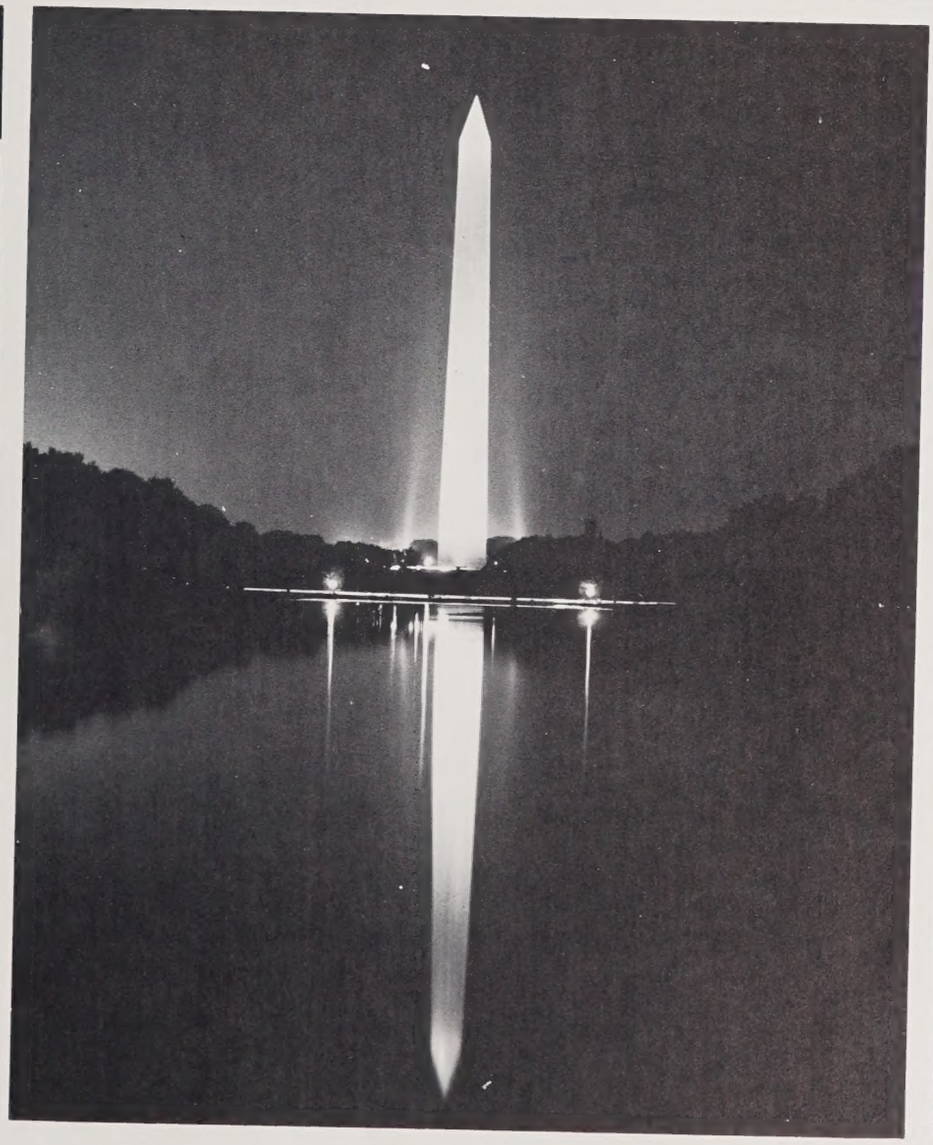
MAT MAIDS BOOST GRAPPLERS

The basketball and football teams have their cheerleaders, and the wrestling team has its own special cheerleaders--MAT MAIDS. These spirited young ladies support our grapplers at each match, urging them on and keeping their spirits high. Members of the "75- 76 Mat Maids are: Janet Soukup, Carol Cox, Virginia Lanning, Donna Cantrell, Karen Pruitt, and Liz Blowers.

SPORTS REVIEW



JUNIORS

You have started and you're almost there. Eleven years of hard work and little play have brought the Juniors almost all the way. We have only one more year of that work and play before we reach the top. The Juniors have gone through hard times of initation and all the bossing of the Seniors through the years at West. Now only one more year to go, and you've done it Juniors. KEEP HANGING IN THERE!

How have the Juniors of '75-76 made it this far? By having people like Brad Riddle as a leader. Brad has helped us through the problems of presenting a Homecoming skit and project and the raising of money for the Jr.-Sr. by magazine sales, car washes and ticket sales. Brad has been there taking time to listen and willing to go on alone if necessary. Brad was the light, we were the shadows following him as he held the ladder of success that helped the Juniors climb to the top.

But what does it take to run the entire Junior class? More than a fine leader, it takes a little money, a little of involvement, and a lot of dedication. Melinda Fisher has this kind of dedication. She never quits. As vice-president and co-worker with Brad, she has come through with spirit. To help Brad and Melinda, Lynn Camp and Sandra Lashley have both been there aiding and offering suggestions for raising money in order to make the 1976 Junior-Senior Prom the best ever. To this team of leaders we say thanks for helping the Junior Class reach the top.

Go ahead. Give a party. Just because you feel like it and deserve it--that is exactly what the Beta Club did--a Halloween Party for the Mills River Elementary group, a party for the new Beta Club members, and an appreciation day for Mr. McIntyre. BOE

FOR SENIORS ONLY! No more classes after 1:15 each day; earning money to buy all of those little items you desire; actual on-the-job training for a future career in Business--all of these add up to any senior who is in the BOE program. As the zero hour (graduation, 1976) approaches, this year's BOE students remember . . . payments on a 1975 green VW with a sun roof . . . please call Mr. Gallman, Barbara . . . a party for Kim . . . Michelle's wreck . . . the day Lynn rung up $400 instead of 79 cents . . . Lisa's ice creamy fingers . . . Wednesday mornings' computer classes. Even though these are just a few of the incidents that Mrs. McDaniel and her 19 students remember, these girls feel that they are ready to face the future with a bang--"Business World, here we come!"

FLAG CORPS

"Atten-hup!" "Dress-center, dress, . . . ready, front!" "Right-shoulder, harms--mark time, hoe!" Practice, practice, practice. The Flag Corps has been drilling since the beginning of last summer. They have shown their hard work and determination by fulfilling their main purposes which are to add color and variety to the band. The Flag Corps performs with the band during half-time of the football games and helps to emphasize the music in the parades with their flags. This year's Flag Corps is commanded by co-captain, Virginia Clark and captain, Carol Cox. (TOP) The managers for this year's Flag Corps are Marsha Sitton and Karen Pruitt. MAJORETTES & DRUM MAJORETTE

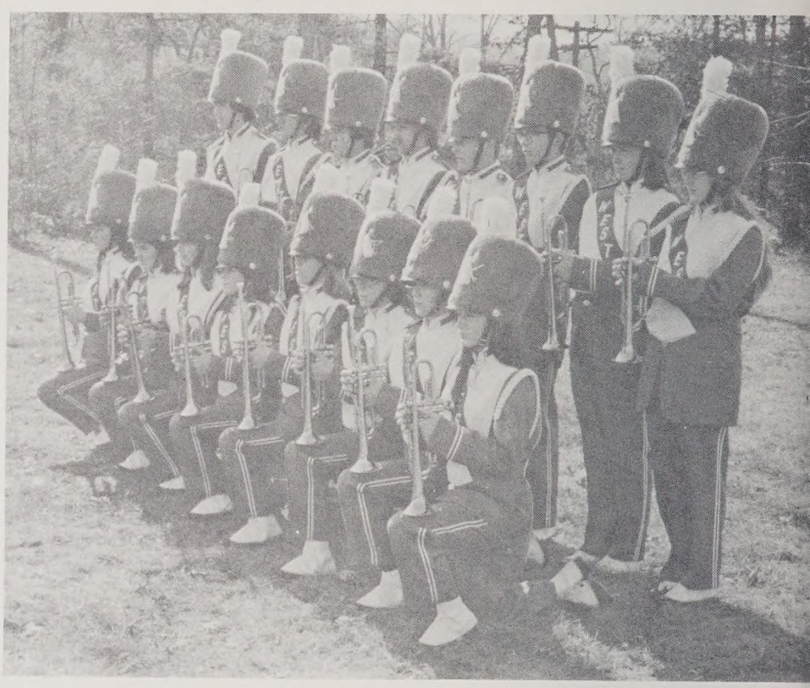
Lynn Camp, (ABOVE) our superior rated drum majorette has lead the band through a superior rated inspection at WCU, many half-time performances, and numerous parades that have proved successful and rewarding.

Judy Moore, Kelly Case, Risë Martin, and captain, Teresa Reese have survived the long hours of practice, cold weather, and torn hose. Against these elements they still managed to entertain the crowds with their lively performances.

BAND



"Music is the only language in which you cannot say a mean or sarcastic thing." -John Erskine

The mighty "Flying Falcon" Band has a language of it's own. It talks for itself and has many listeners. Once again this year they traveled to the Western Carolina University Band Festival and in the AAA class received a Division II rating. In view of their honorable rating, it's no wonder they're invited to so many parades and other special occasions.

STAGE BAND

Attention all Dixeland music lovers! There has been something new and fantastic added to West High this year. It is called the "Stage Band" a miniture version of the Flying Falcon Band. This band was formed especially for performing during the halftime show at basketball games. Led by Bob Edwards, this band has all the jazz and tempo as New Orleans itself.

FALCON STAFF

"We live in a moving line between past and future. That line is our lifeline."
George H. Buttrick

On that line of wild, humorous, and unexpected occurrences, this year's Annual Staff has tried diligently to acquire a book of remembrances for you.

STUDENT COUNCIL

"Come on, we can't let them beat us . . ." This was echoed through the halls for four days while each class competed diligently to achieve the recognition of being the most spirited class. Each day proved to be an even greater challenge as the spirit chain grew by leaps and bounds. Then the day came . . . "and here's the results of the spirit chain;" -- "by a difference of thirty-nine cents, the seniors have defeated the sophomore class!" In addition to the spirit chain; the Student Council held a Soc-Hop after our first home football game, attended the Western District Workshop, and plan to make some additions to the tennis courts. Let's keep this uplifted spirit and pride for West!

BLUE STREAK

The BLUESTREAK staff has done it again--produced an interesting, informative newspaper for the students at West. Under the direction of Mrs. Whitmire, Sponsor, Editor-Wayne Hamilton, and Assistant Editor-Beverly Russell, the staff spent many hours writing and rewriting articles. They also spend a great deal of time snooping and digging for interesting tid-bits of "news" about students and teachers. The Newspaper Staff certainly deserves a "THANK YOU".

A West High fighting Falcon fullback also has brains. Mike Lunsford is the head man of the Sophomore Class. He serves as President this year.

Melody Holmes brings the beauty into the Sophomore Class Officers. She is serving as the Secretary for 1975-76.

"Sergeant" Jimmy Schultz is up to his crazy shenanigans again in the Sophomore Class. But this Schultz isn't being outsmarted. He comes out as the hero serving as Treasurer this year.

Cute 'n curly Tom Mills adds the humor to the Sophomore Class as the WACKIEST Vice-President ever!

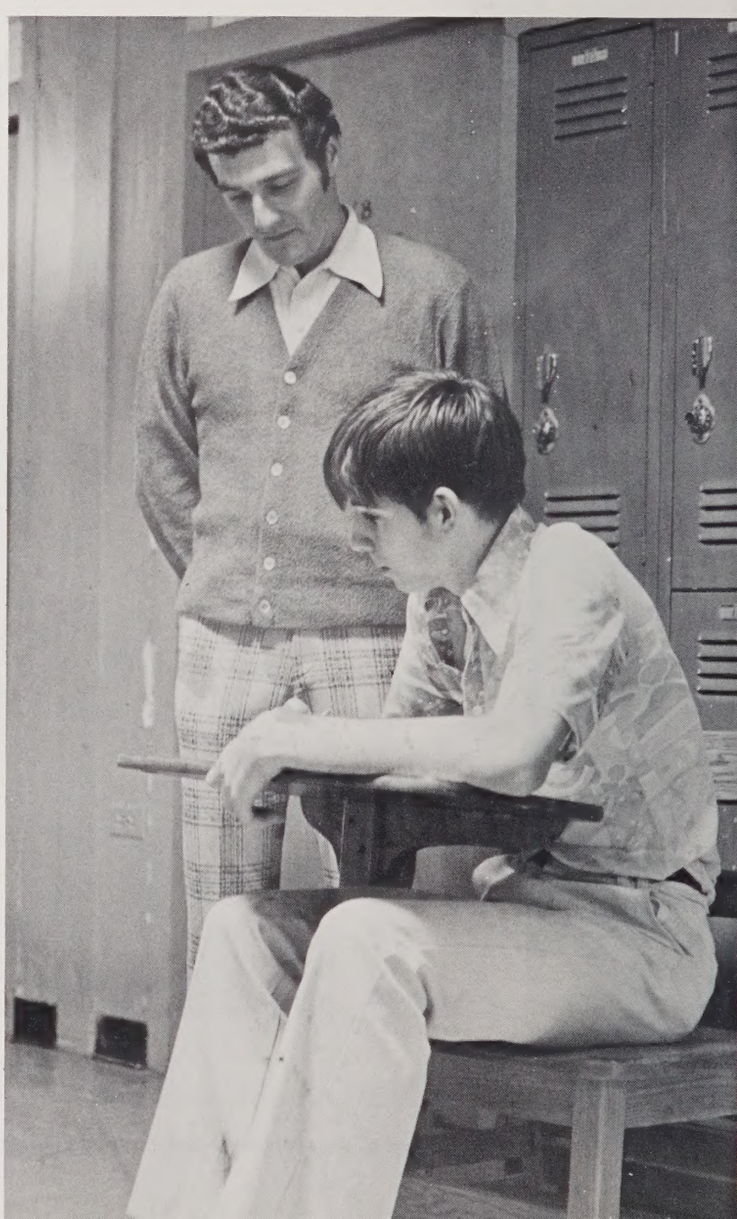
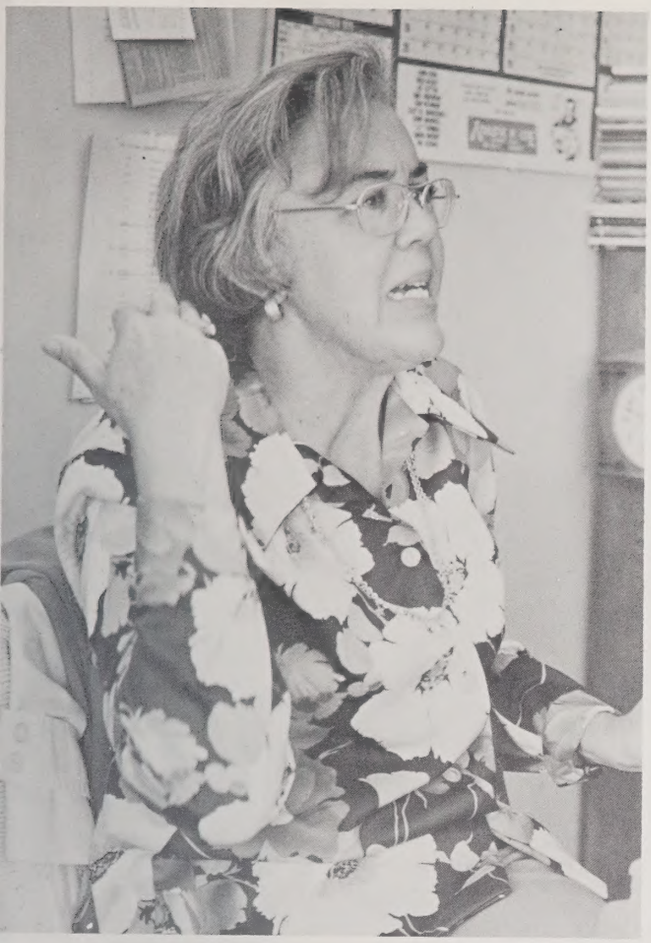
KNOWLEDGE

IT ALL ADDS UP

1+1=3, 2-6=4, 3x2=5. Just take a look to see how far New Math has come. I bet George Washington would really be surprised to see the way Mr. Hansen, Mr. Bryson, and Mrs. Lemmons try to teach you the ways you can add, subtract, and multiply. If you haven't been by to see what is happening in the Math Department, stop by and see them sometime. You'll be surprised at what you might learn.

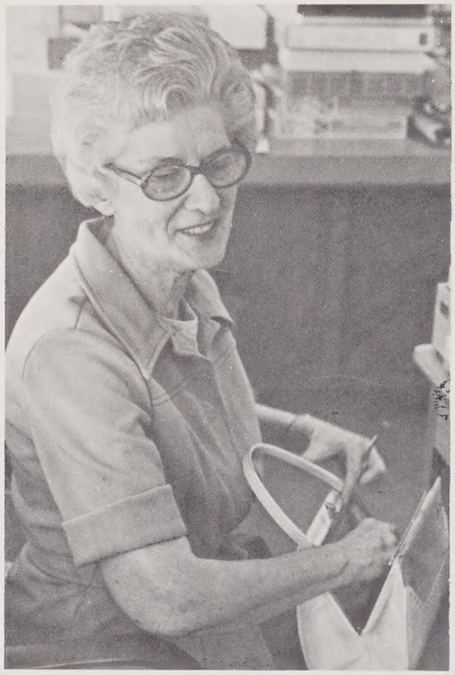


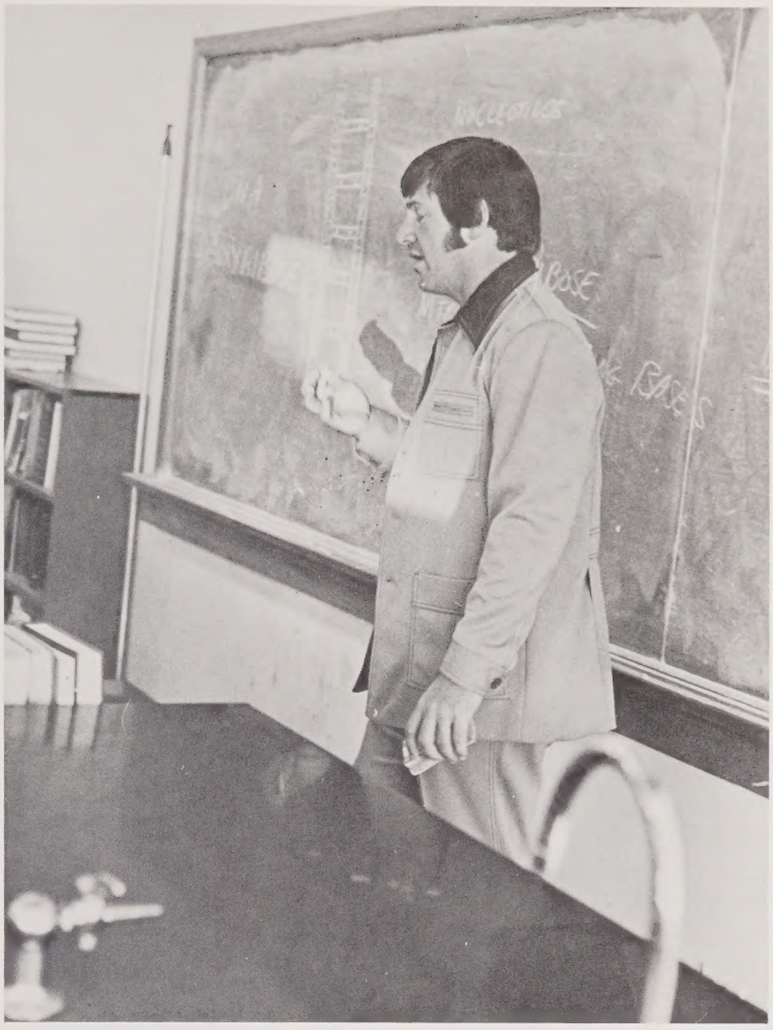


MISS POTTS, OUR RESOURCE TEACHER

LIBRARY STAFF

How would you like to take a course in which you can learn anything and everything about the library. You also can become active in sich activities as Book Fairs, Faculty Teas, and Book Exhibits. If this sounds interesting to you, ask Mrs. Hamrick our Librarian or Sally Kohr about Library Science.





SCIENCE

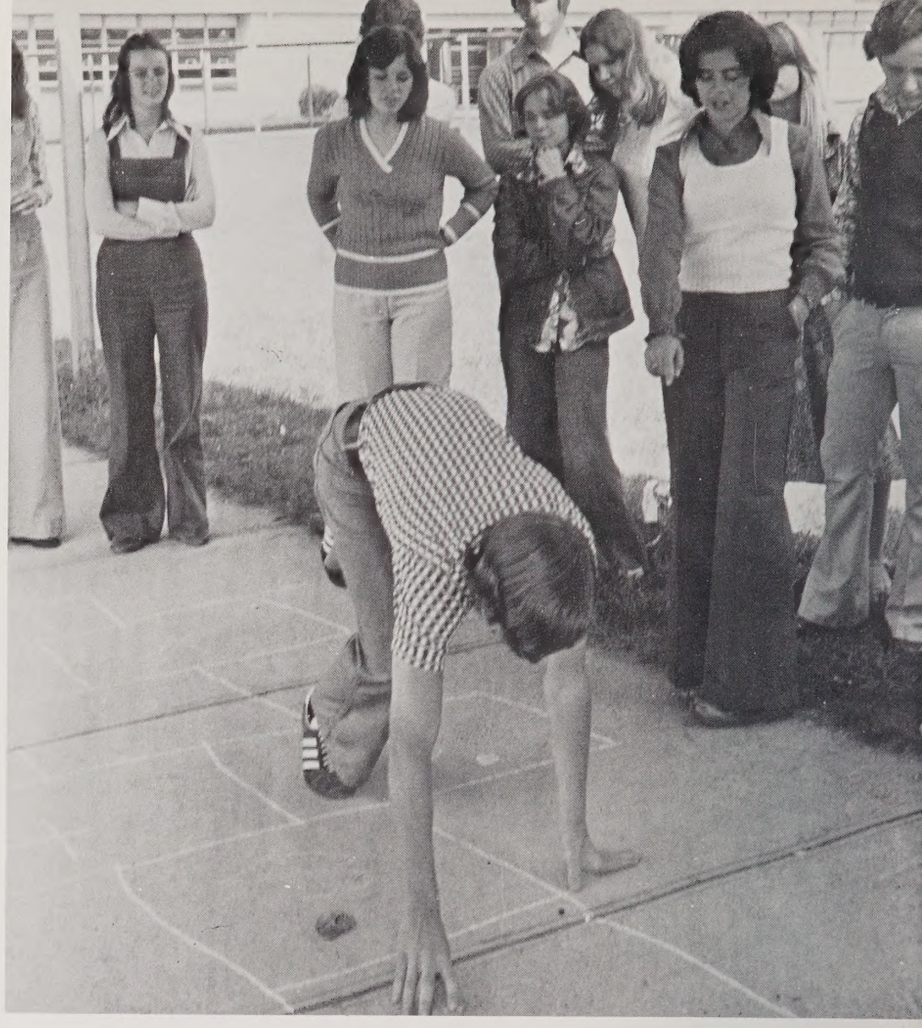
Do you know why the frogs right thumb sticks out sometimes? Well, if you don't, go up to our Science department and ask Mr. Jarvis, Mr. Ballard, or Mr. Rudisail. They can explain the whole thing to you. You can learn anything and everything from A to Z. So just stop by and investigate for yourself.

MR. DICKSON'S DRIVING SCHOOL

"O.K. let's go on around behind the gym to my little driving test. What now! Let's go back up to the administration building and have Mr. McIntyre announce that who ever parked between my rusty cadillac and my old blue Lincoln to please move their car. I've got to put you students through this driving test" . . . and on goes the difficulties Mr. Dickson has in teaching his West High students to drive.

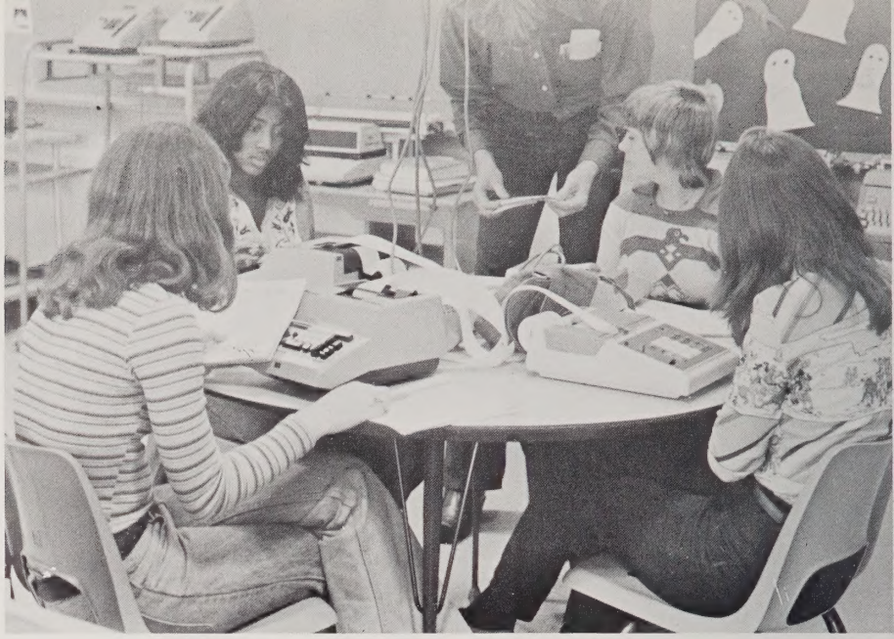
WILL YOUR FUTURE BE BRIGHT?

What are you going to be doing in the future? Perhaps you are going to college maybe even to a technical school? Perhaps you would like to be a school teacher, band director, truck driver, nurse, doctor, lawyer, chef, waitress or even a theif! If you have any questions and you need someone to talk to you can always talk to Miss Heil, our guidance counselor who is willing to listen.



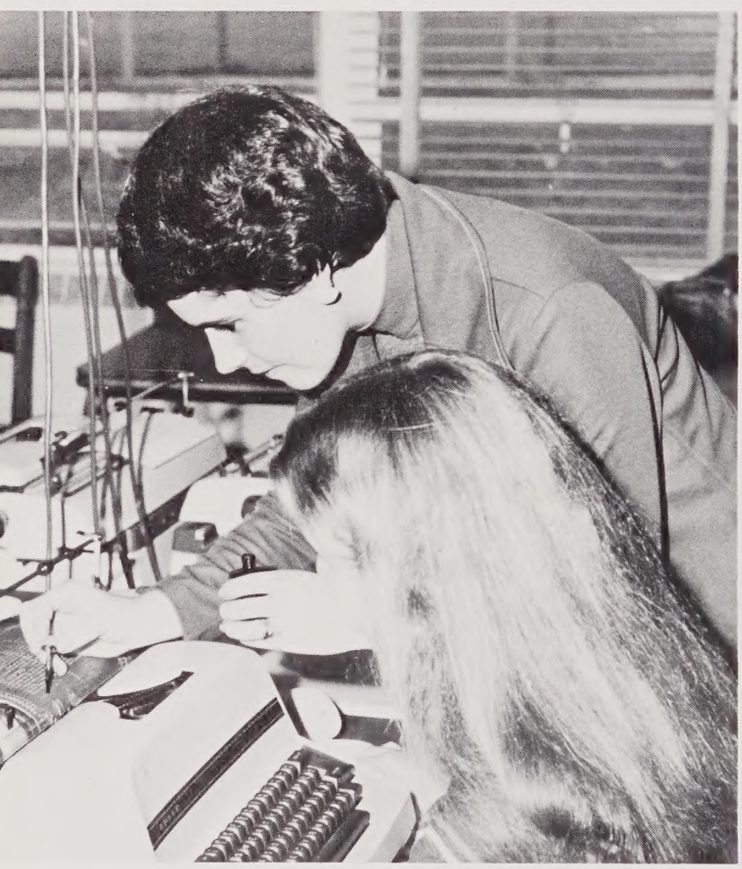
ENGLISH WITH A NEW FACE

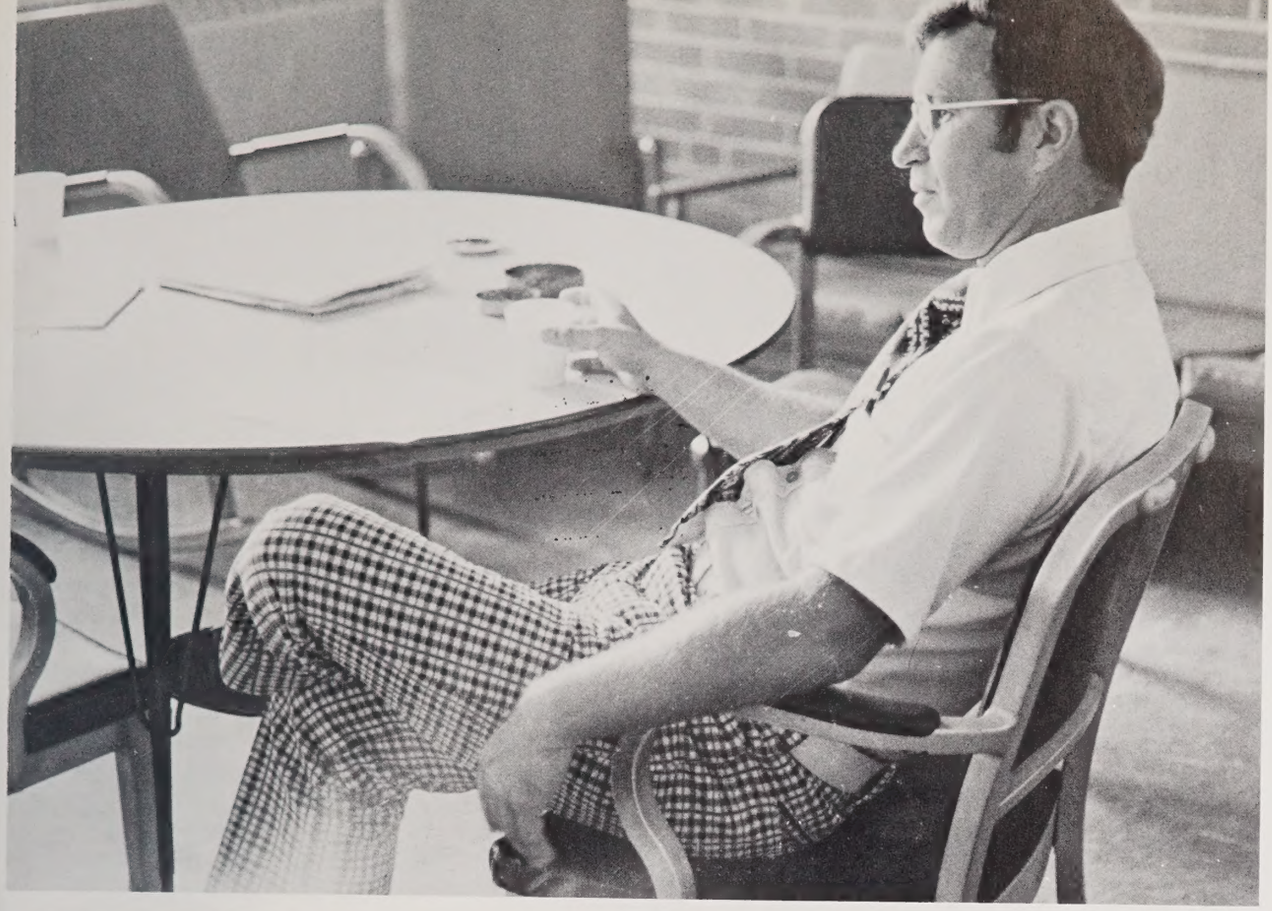
English is no longer all work and no play. Think back to the Mountain Culture Class when you played hop-scotch, red rover and ring around the roses. Then you learned how to write your first composition with no mistakes. How about the Thanatology Class, the "study of death", and the visit to the funeral home. English has come a long way to take a New Face.

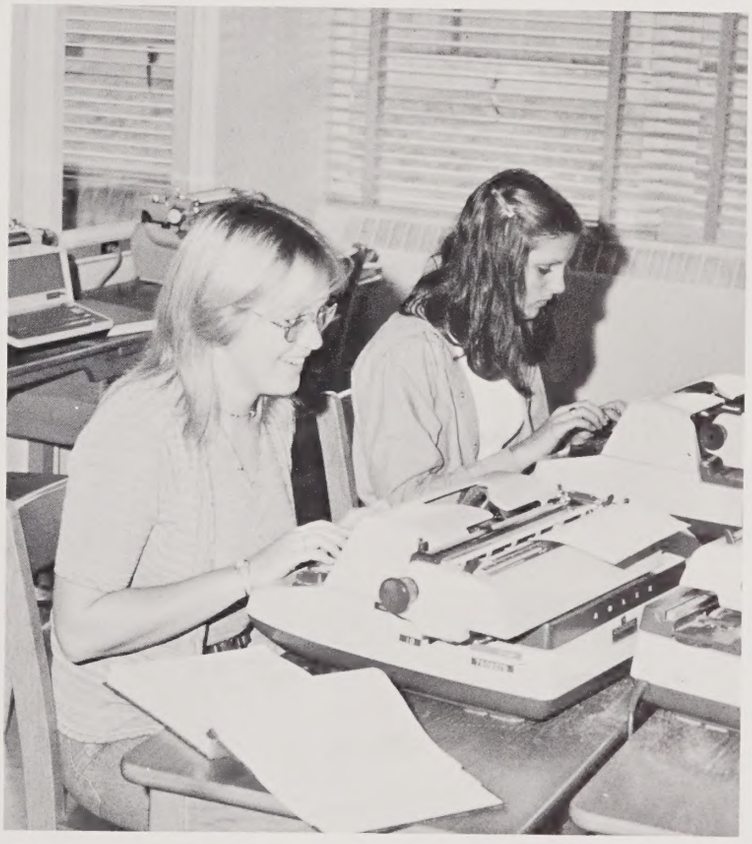


BUSINESS DEPARTMENT

It happens over and over-keys sticking, erasure holes in your paper, mimeograph hands, forgetting brief forms, realizing that you are still a minor instead of the adult you thought you were. Sounds unbelievable? Not to the hundreds of students who spend some of each day in the Business Department preparing themselves for a spot in their future life. Helping them to achieve their future goals in the business world are: Mrs. McDaniel, Mrs. Coggins, Mrs. Graham, and Mr. Mullins.



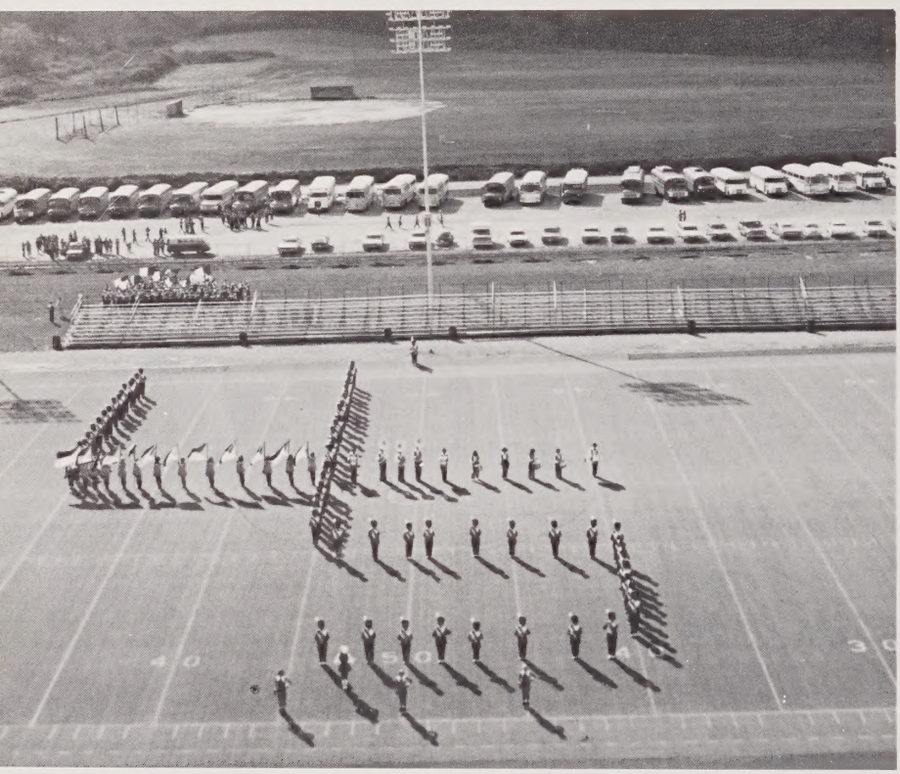


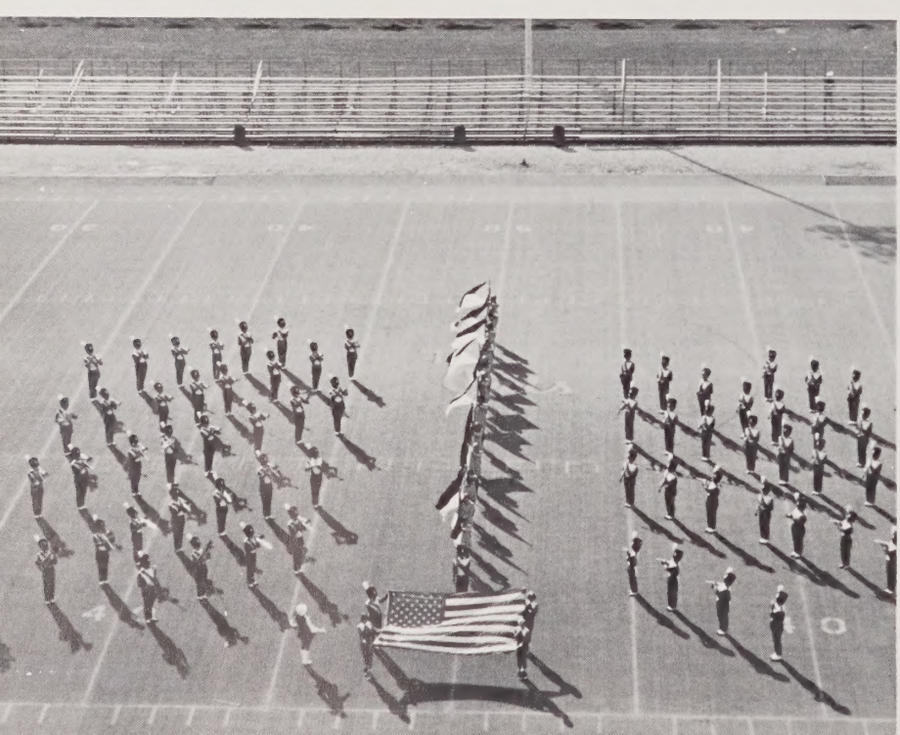


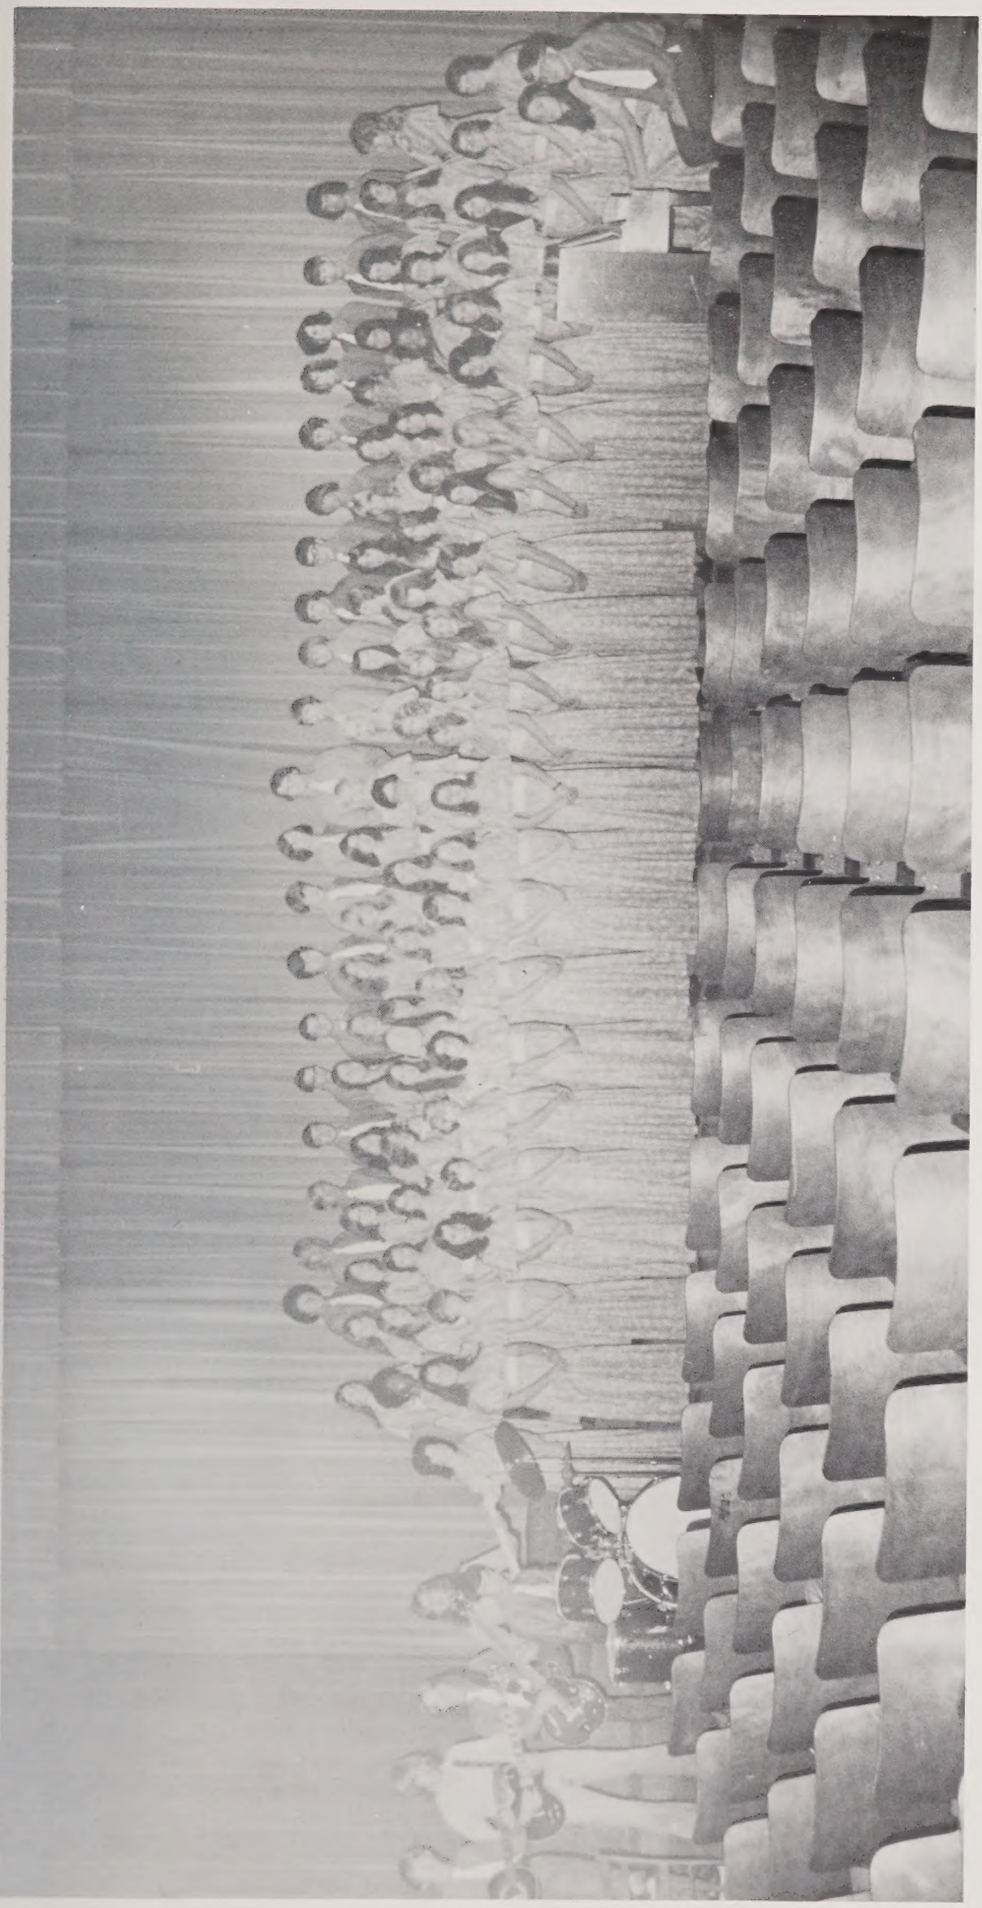
BAND

The West High Band has represented us well during the past five years. We are very proud to have such talented students at West. Under the direction of Mr. Edwards, our Band has been seen and heard North, South, East, and West.

To the Band we say, "Thank You."





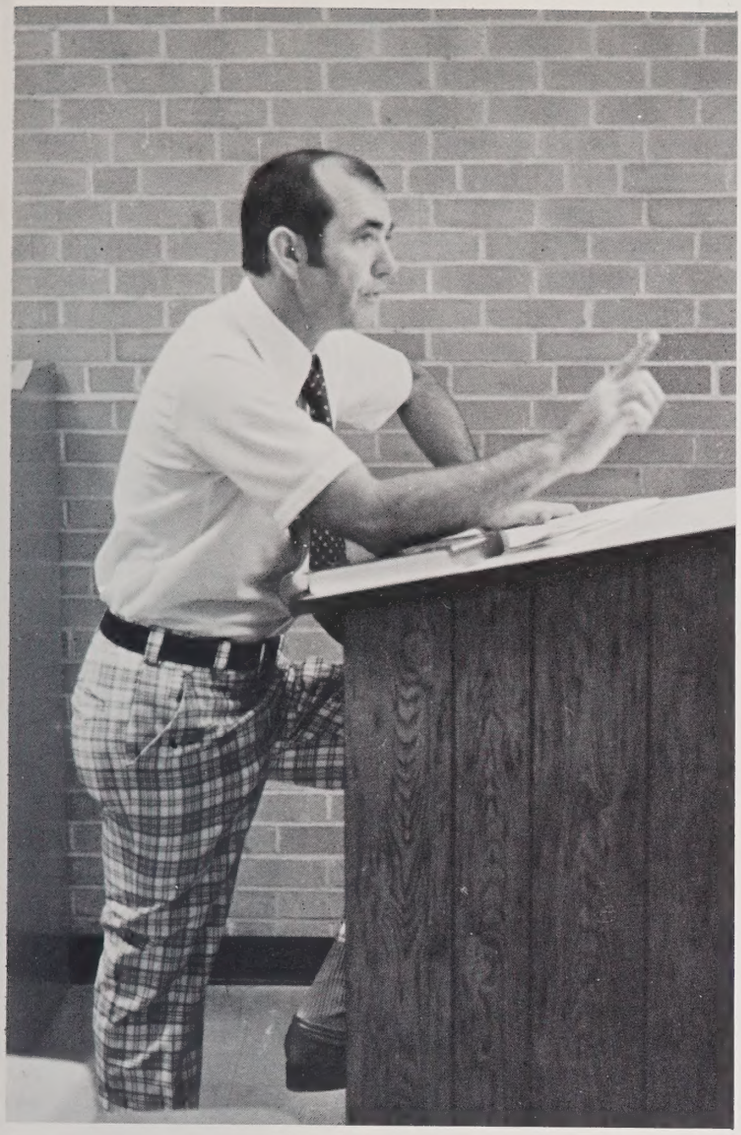


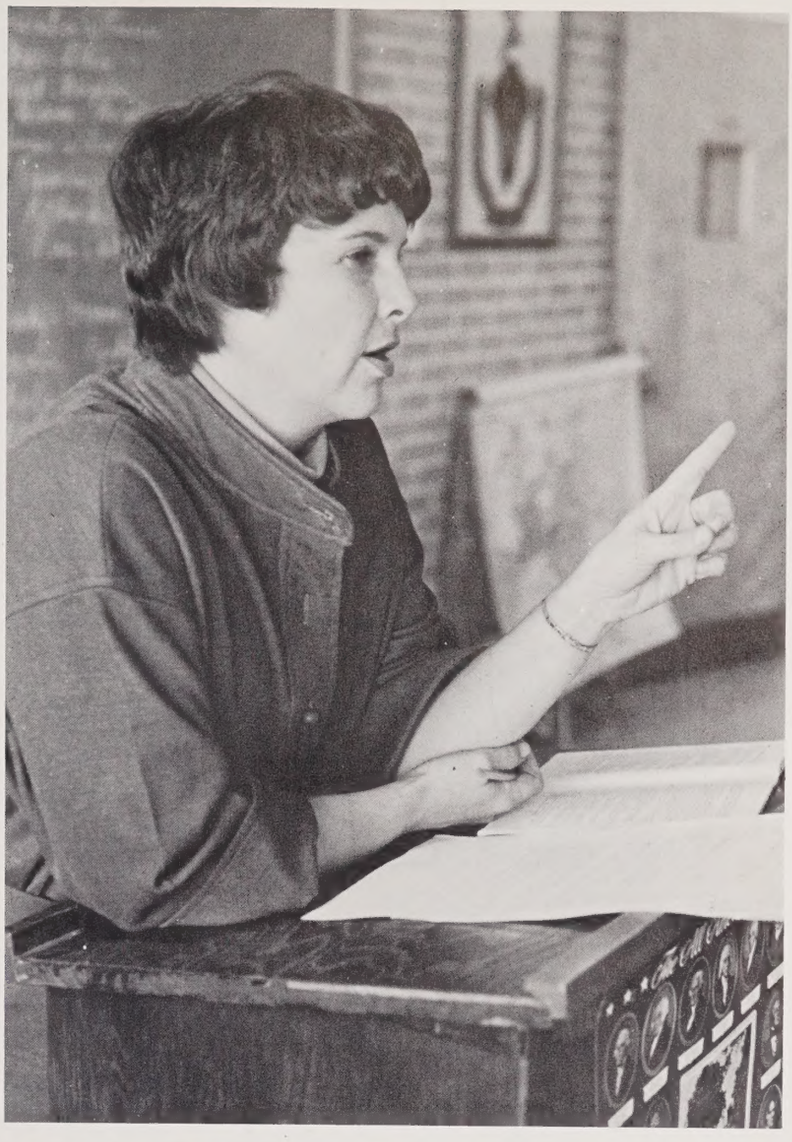
CHORUS

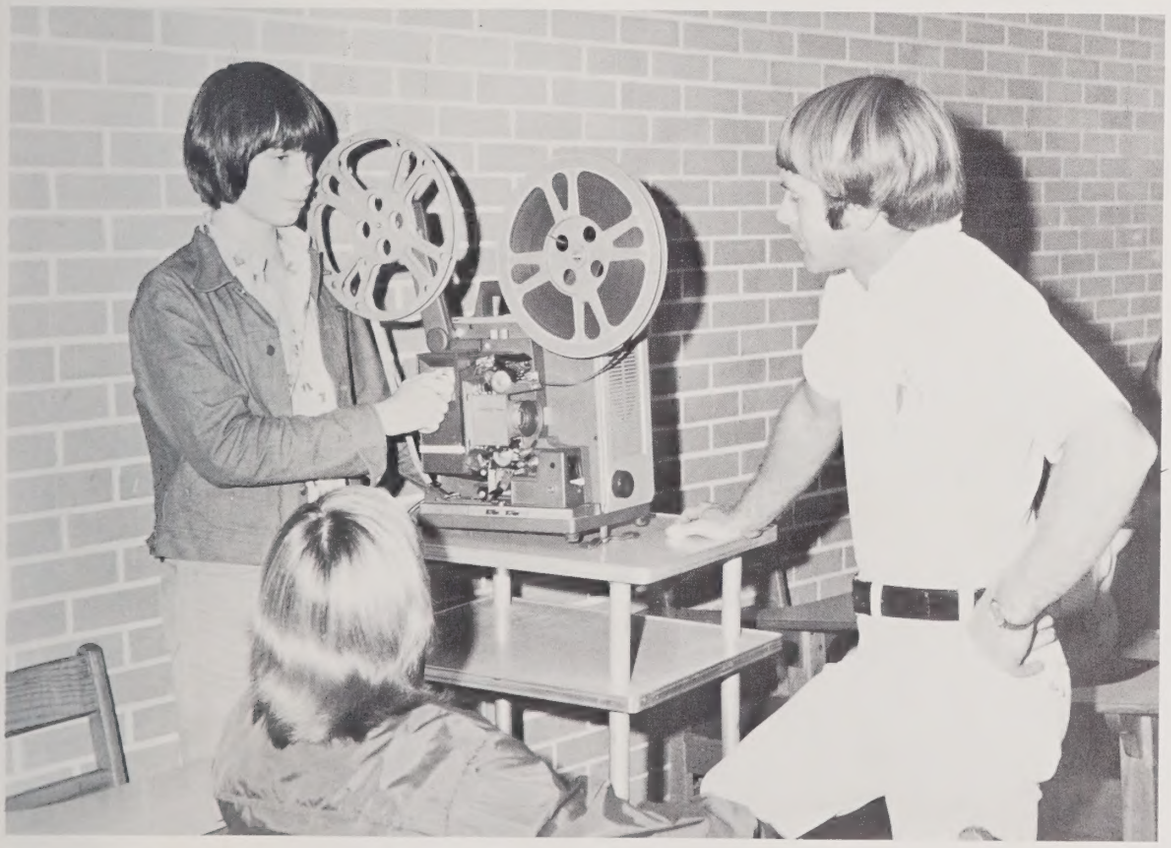
Under the direction of Mrs. Johnson, the West High Chorus has presented several outstanding concerts. Thanks to the many talented students at West High.

SOCIAL STUDIES

Another must, two years of History. Remember all the things you learned about the constitution under Mrs. Stakias. Who could forget all the shocking facts about George Washington, Abe Lincoln and Adolf Hitler under the guidance of Mr. Link. Of course all the maps you study in Mr. Worley's geography class you could never forget.







FRENCH

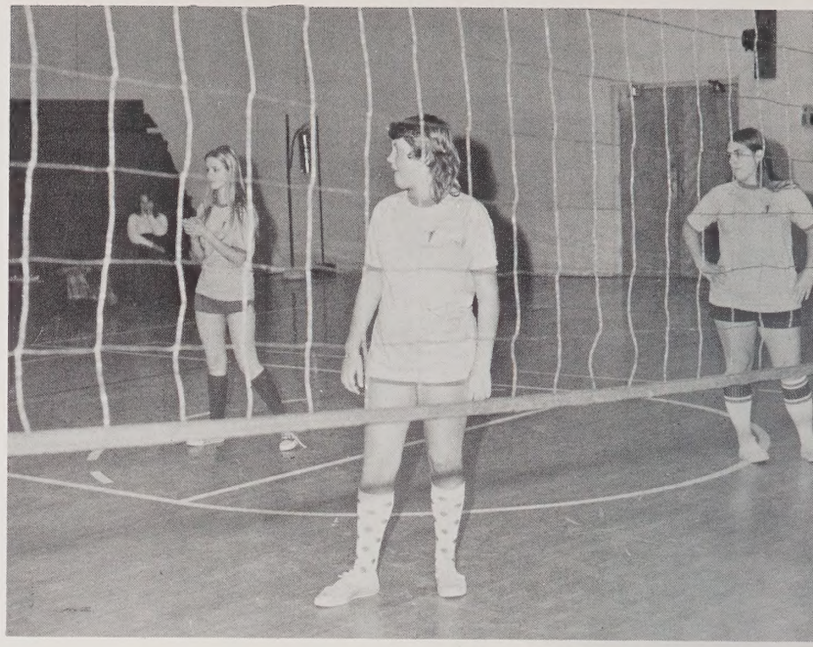
Parley-vous Francais? If you want to learn what this means, you need to take French with Mrs. Driver next year. It will be the most interesting subject you ever take.

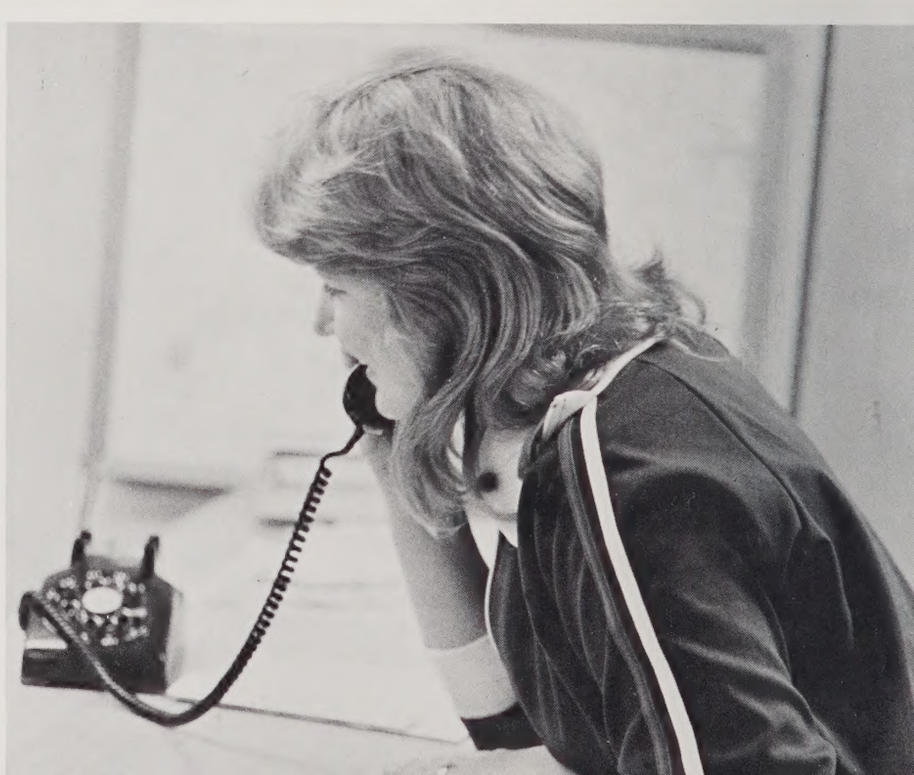
ART IS FUN

What happens when you mix blue, purple, orange, yellow, and green? You come up with a pretty wierd color. We're not saying to do it, but if you have Art with Mrs. Freeze you can. Maybe you like painting ceramics you can do that too. But, most of all you have lots of fun in Art class.

PHYSICAL EDUCATION

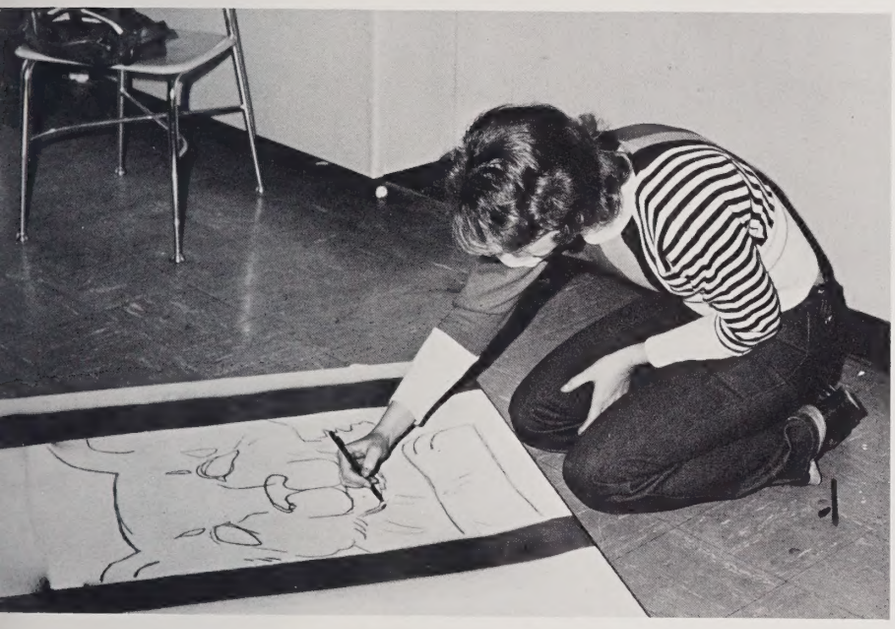
Exercise, exercise 1,2,3,4. Two laps around the gym and then get set for a game of volleyball. That's the game! Team A wins by two points. Go change and don't be late for your next class. These are just a few of the remarks that may be heard during physical ed. class. Mr. Berkley and Mrs. White are our P. E. teachers.





DE

The Distributive Education class gives a student the chance to be active in the world of work. Each student is given the chance to find some type of employment. During this time you are also working in the classroom on activities such as job interviews and sales demonstrations. Mr. Barbour is the instructor.



HOME EC.

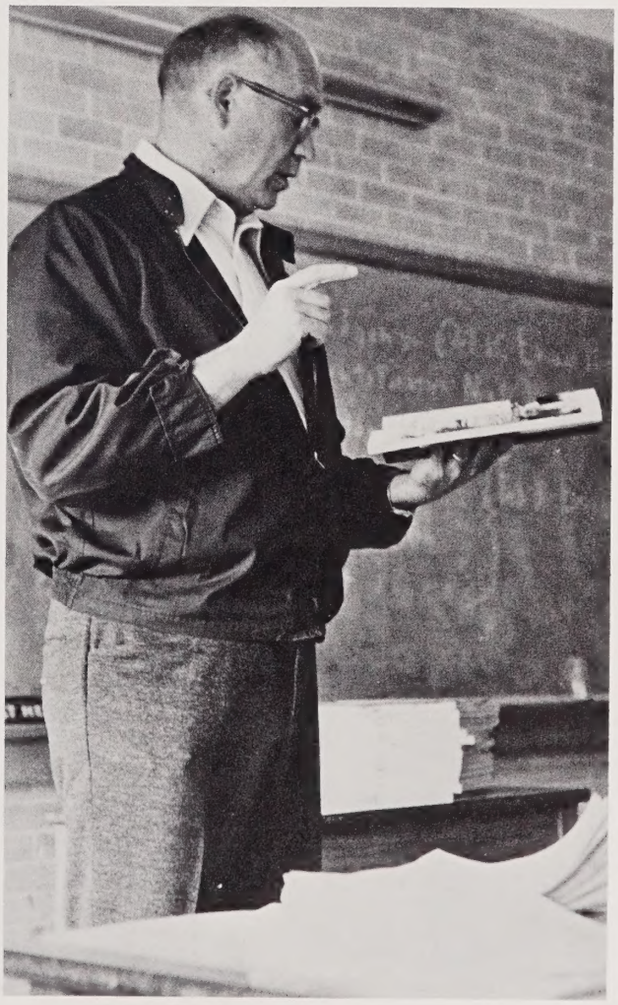
Ever wonder about what to do if you were engaged? You'll have to find who, we'll tell you how. We have all the details and you can learn just how to handle the ups and downs of Family Living.

If you are not interested in family living at the present time, then you can learn to cook and sew in Home Economics II, and Semester Home Economics. Mrs. Hinkle is our Home Ec Teacher.

AGRICULTURE

Ever wish you could operate a ban saw, make tables, meat boards, lamps, learn to weld or paint?

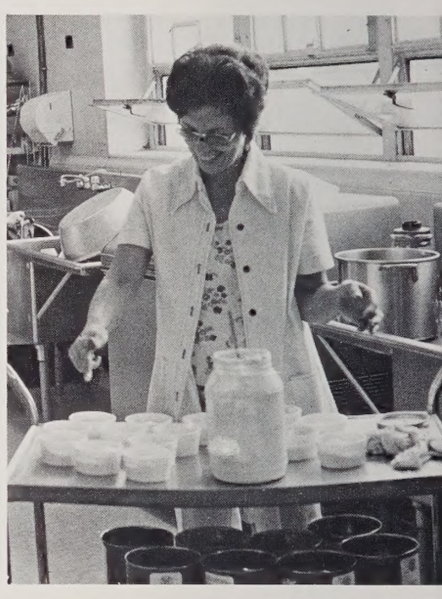
Just take your pick and you'll always come out a winner after a year in Agriculture with Mr. Francis or Mr. Laughten.

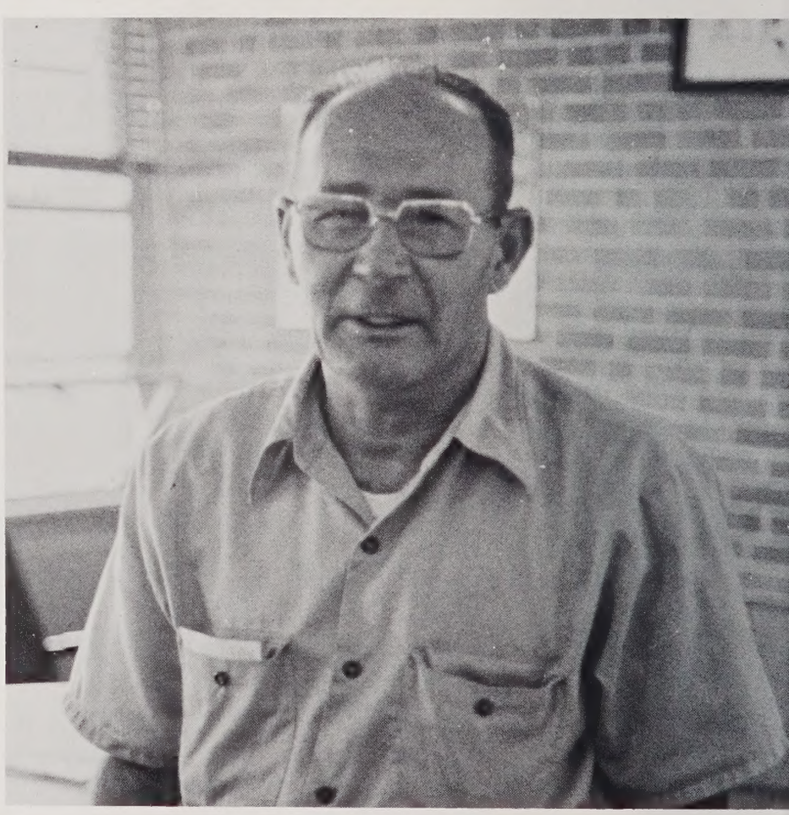


HELPERS

This year has been another good year for the Cafeteria Staff. With Frances Goode as manager, they are working hard. Other members are Linda Dillard, Daisy Lively, Evelyn Barnett, Bessie Whitaker, Rose Stillman, Betty Whitaker, and Debbie Bush.

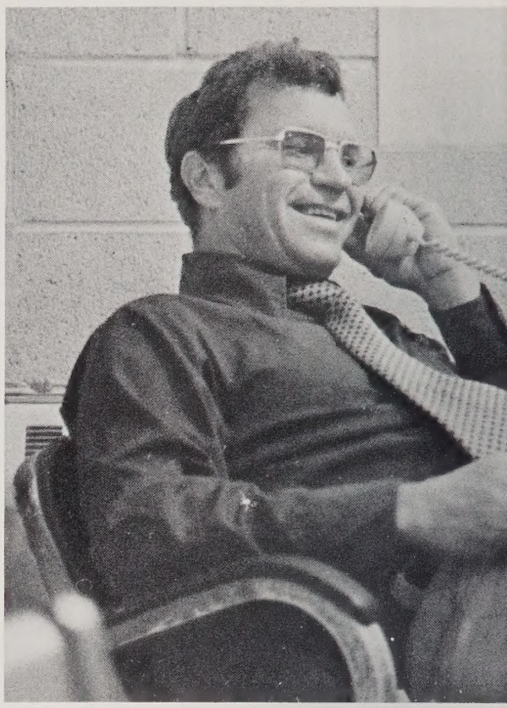
Also who can forget those who keep the school clean Fred Dotson and Oveda Owens.



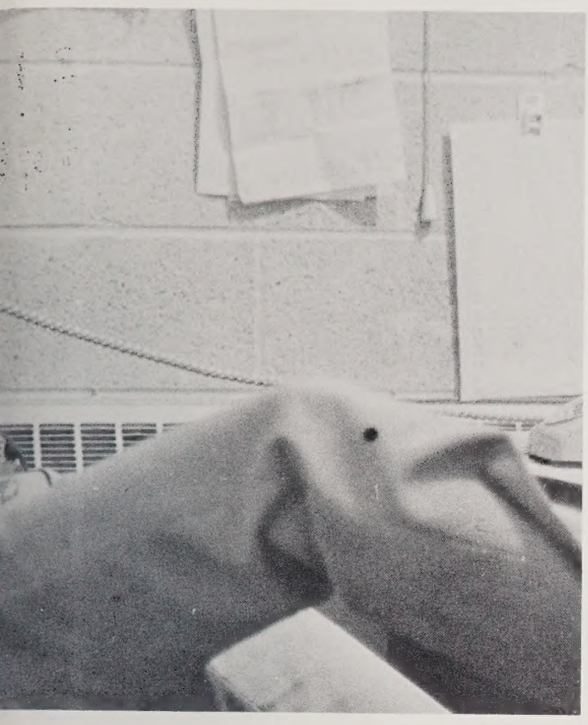


STUDENT BUS DRIVERS

These are the student bus drivers that get us to school, and back home from day to day. (LEFT TO RIGHT) David Blythe, Ronnie Redden, Junior Jones, Doug Dunlap, Ricky Bradley, Glenn Hollifield, Dennis Dunlap, Jeff Fox, Bob Buchanan, Joe Praytor, Gary Kimzey, Ronnie Galloway.

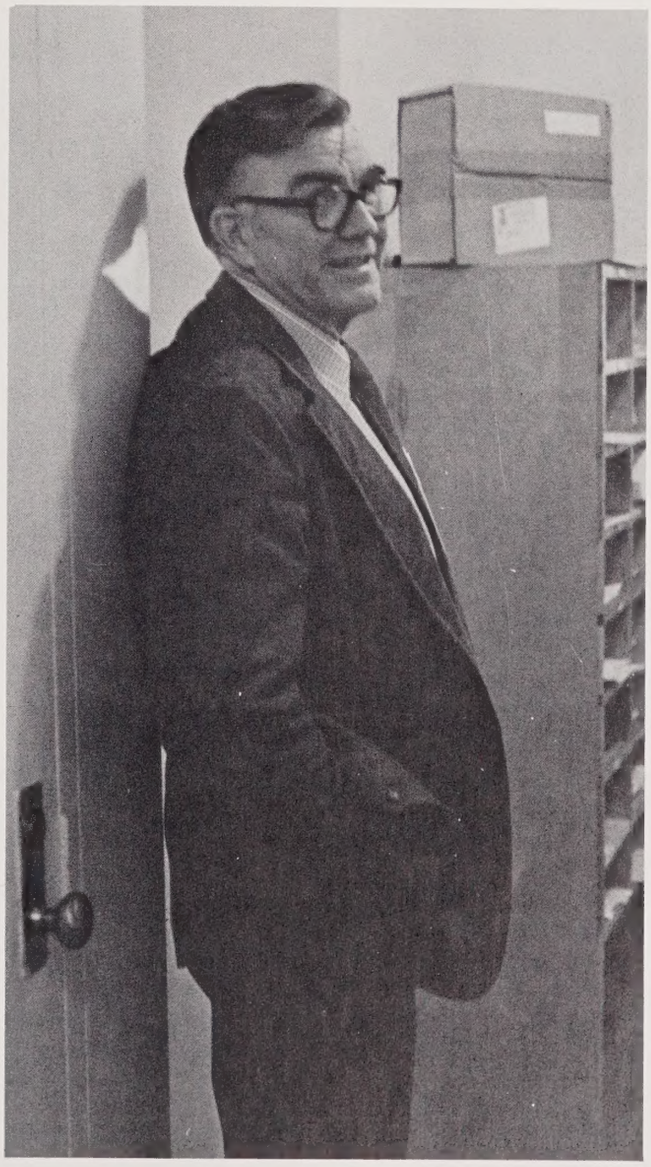


NEWS

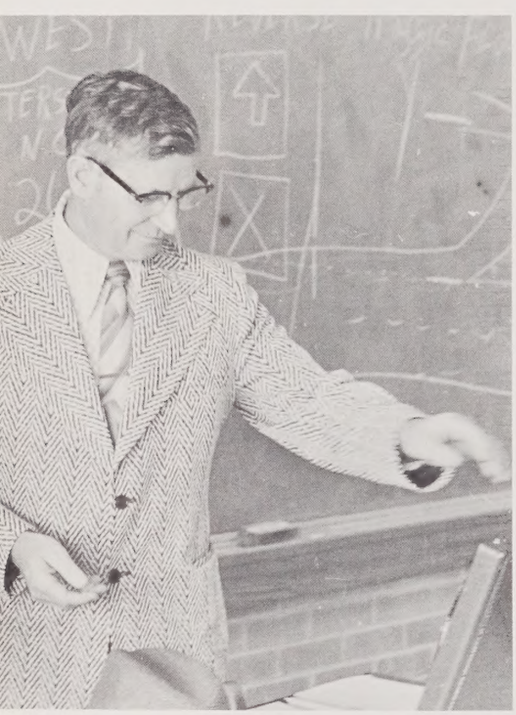


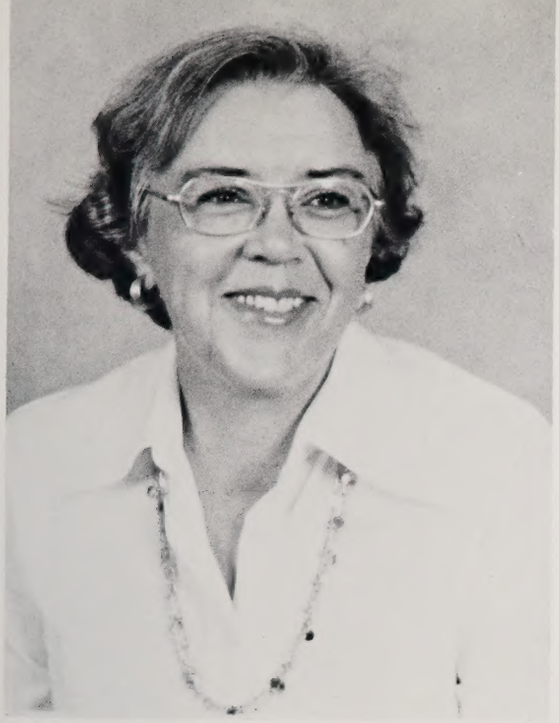
ADMINISTRATORS AND STAFF

Let us present to you our Administrators and Office Staff. Principal-Mr. D. E. McIntyre, (BOTTOM RIGHT); Mr. C. E. Mullins, Assistant Principal (TOP CENTER); School Secretary, Mrs. Libby Renegar (TOP LEFT), and Mrs. Betty Smith, Secretarial Aide (LEFT MIDDLE)



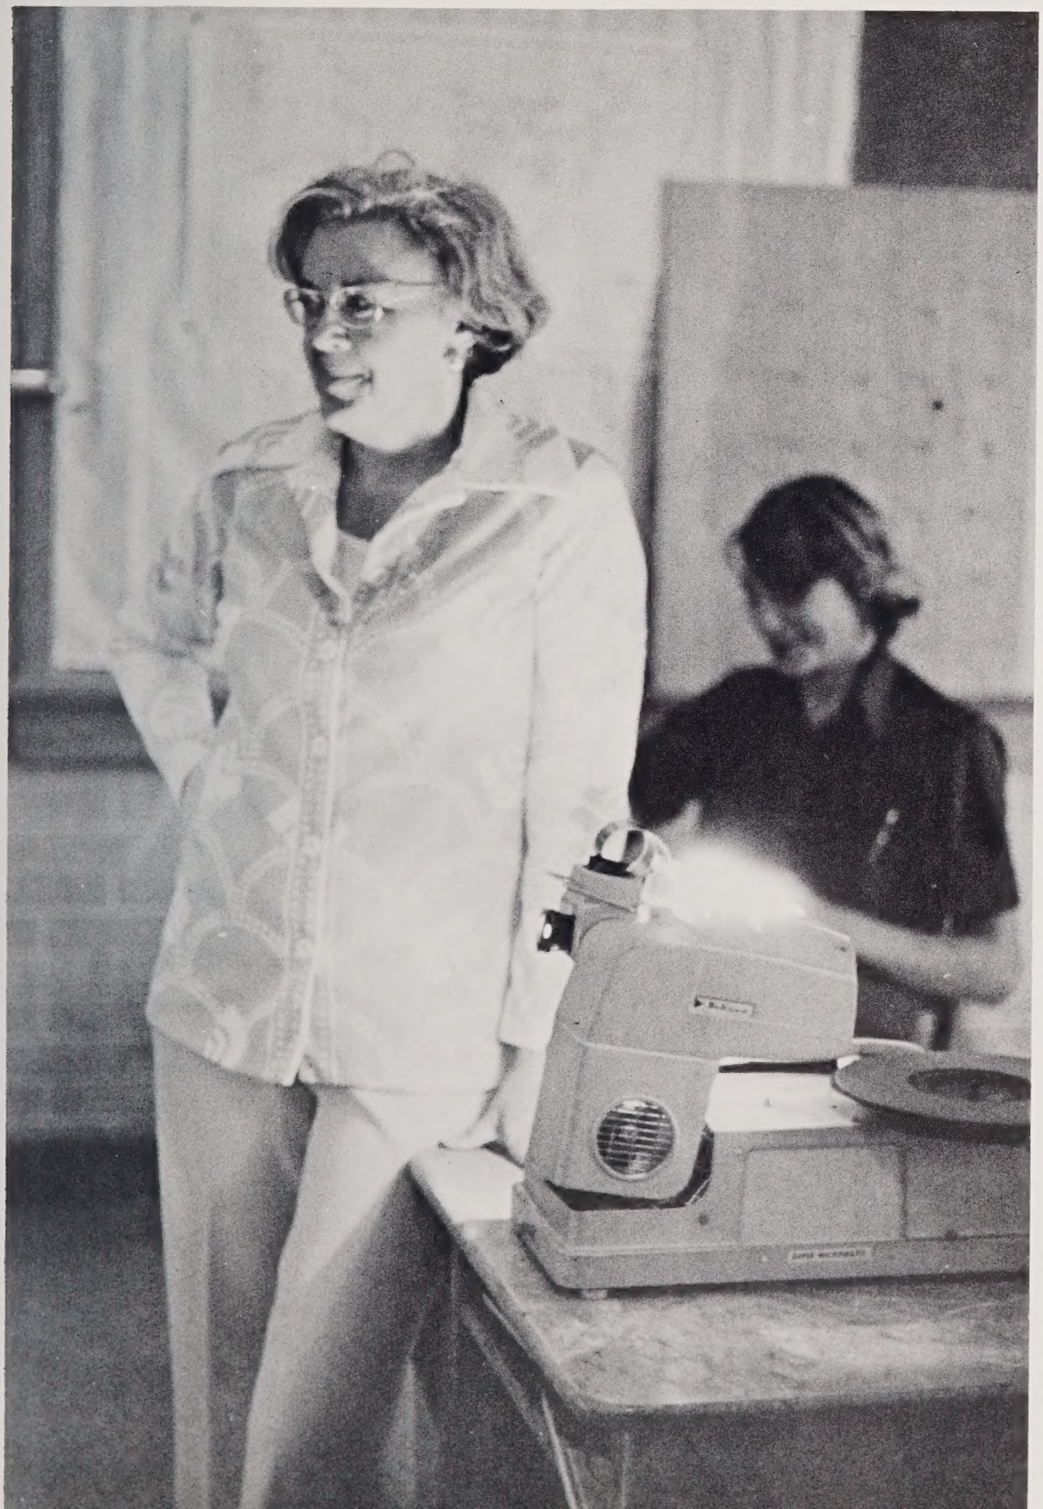
TEACHERS HAVE THEIR MOMENTS, TOO

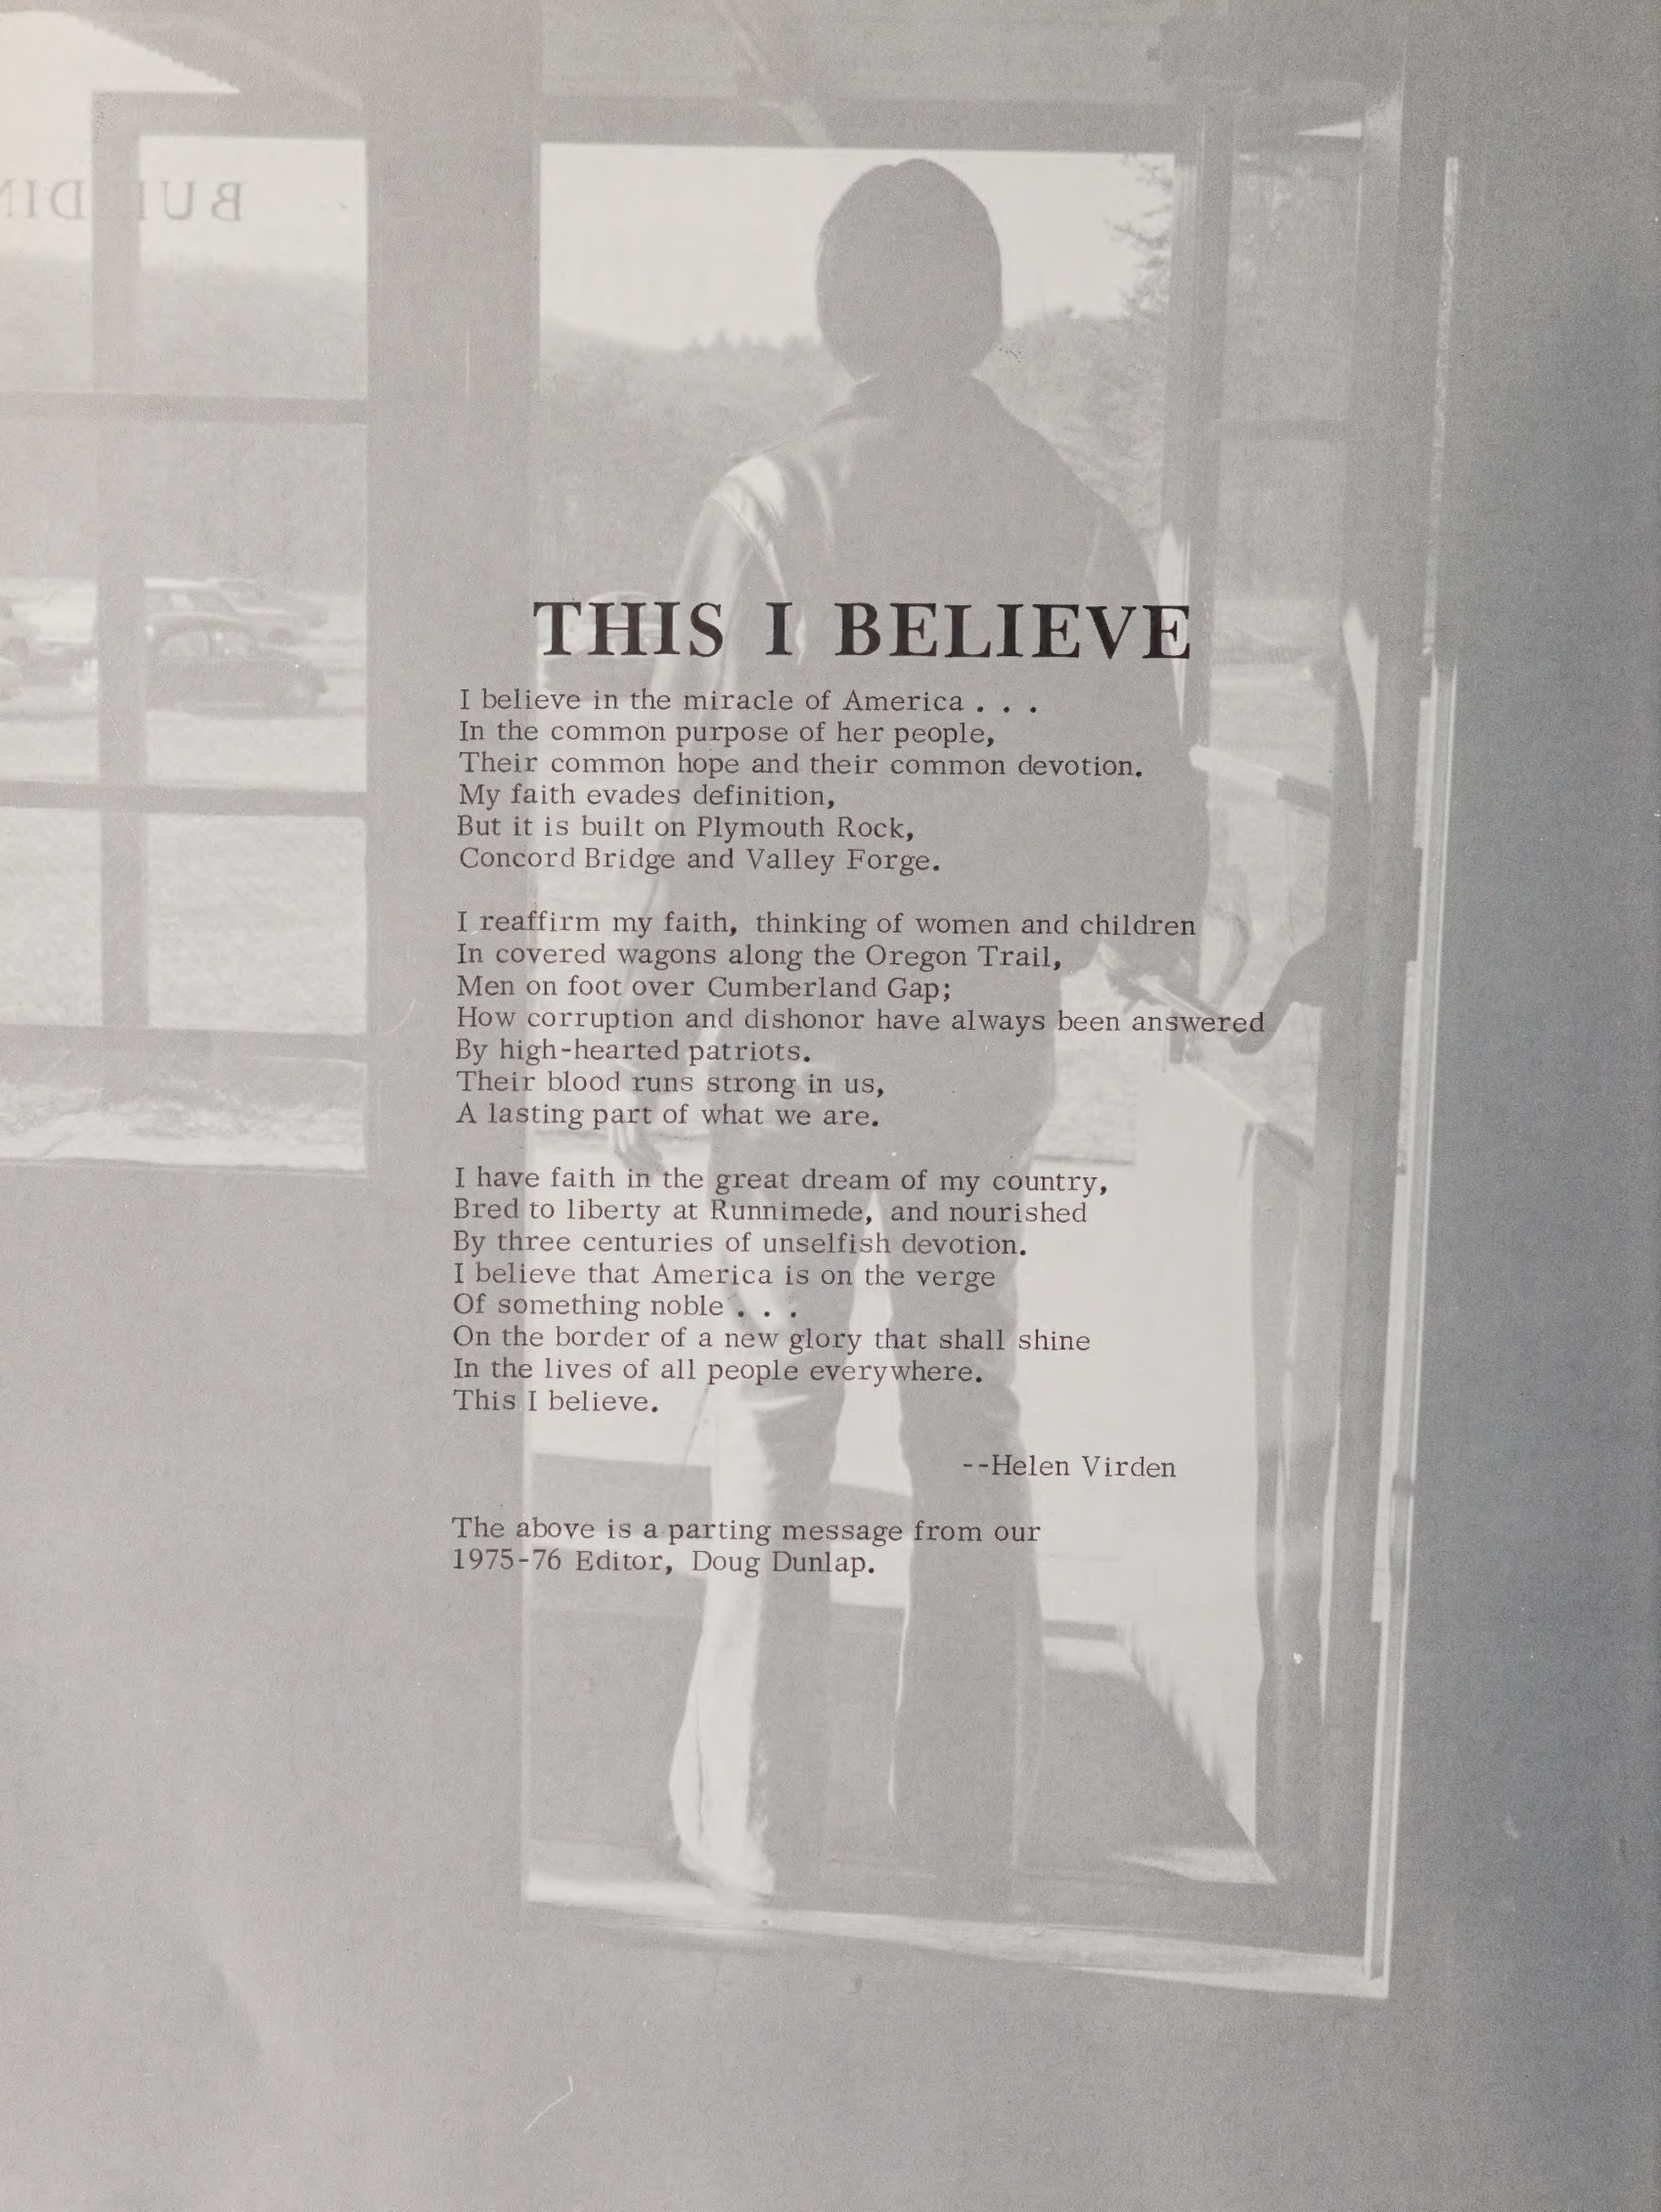




DEDICATION

THE BEST PORTION OF A GOOD TEACHER'S CAREER--HER LITTLE NAMELESS, UNREMEMBERED ACTS OF KINDNESS AND OF LOVE. HOWEVER, HORTENCE POTTS WILL BE LONG REMEMBERED BY THOSE STUDENTS AND CO-WORKERS WHOSE LIVES HAVE BEEN ENRICHED AND BRIGHTENED BECAUSE SHE CARES.





THIS I BELIEVE

I believe in the miracle of America . . .
In the common purpose of her people,
Their common hope and their common devotion.
My faith evades definition,
But it is built on Plymouth Rock,
Concord Bridge and Valley Forge.

I reaffirm my faith, thinking of women and children
In covered wagons along the Oregon Trail,
Men on foot over Cumberland Gap;
How corruption and dishonor have always been answered
By high-hearted patriots.
Their blood runs strong in us,
A lasting part of what we are.

I have faith in the great dream of my country,
Bred to liberty at Runnimede, and nourished
By three centuries of unselfish devotion.
I believe that America is on the verge
Of something noble . . .
On the border of a new glory that shall shine
In the lives of all people everywhere.
This I believe.

--Helen Virden
